Follow Up Report - #7 (Board Directive) Rules Final 4/2/10

lbowersIII Evaluate whether or not when both parents are TICA registered should they be required to register the litter.

39.9.1 Be made by submitting an individual application for registration of a cat of a registered litter issued by TICA (TICA blue slip).

39.9.2 Be accompanied by a minimum of 3-generation Certified pedigree (from another registry) of the cat for which application is being made and a photocopy of a registration certificate from that registry showing proof that this cat is owned by the person making the application and asking to be named the owner of this

Suggested Changes:

If the dam of a kitten is eligible to be registered with TICA, any kitten from that dam must be registered via a blue slip, and cannot be individually registered.

OR

If the dam of a kitten is registered with TICA, any kitten from that dam must be registered via a blue slip, and cannot be individually registered.

Comments from Rules:

(MW) Two problems I can see with this as written

1) I happen to individually register all my kittens using the litter registration form and never use blue slips - I don't think I'm alone in doing this. The suggested rule seems to stop me doing this.

2) Dual registration is not unknown - we get a lot of it in my region. Here's a possible scenario if this rule is passed:

Breeder A has all her cats registered in both TICA and GCCF and breeder A sells a GCCF-registered kitten to breeder B (B is GCCF-only).

Breeder B loses touch with Breeder A (or Breeder A dies). After a while Breeder B decides to register the kitten (now a breeding queen) with TICA as an individual registration because they've discovered TICA.

EO says no because the dam and sire are TICA-registered and must be registered by Breeder A using kitten registration. Breeder B has no way of getting Breeder A to submit a kitten registration.

Breeder B gets fed up and decides not to bother with TICA anymore. Breeder B tells Breeders C, D, E, F, G etc that TICA's registration dept is a pain in the neck and not to bother coming over to TICA. [1]

TICA loses out on new customers and potential income streams.

[1] I remember from my business studies that a study found that if someone has a problem with a company, they tell on average 10 other people about how badly they got treated.

(DL) Hmmm, I'd say Martin's comments bear some serious consideration! (I don't see this being too much of a problem U.S./Canada, but Europe it could certainly be an issue).

(BT) I understand your example below -

I think Martin is saying he does not litter register but individually registers his kittens and this would stop him from doing that.

I also think what Martin is saying using the GCCF as an example happens as well. I remember when I bred British....I worked off and on with a lady back east exchanging cats and she was CFA.....she never registered her litters with TICA even though I would provide her with both TICA and CFA papers on the kittens she got from me. So when I got a kitten from her, I registered it in CFA and then registered it in TICA using the CFA papers and a pedigree.

I would not be able to do that with the proposed rule. I would have to demand she registers with TICA and provide me a blue slip or not exchange cats with her.

Although I would like to see everyone's cats registered in TICA along with any other registry they register with - it just "ain't gonna happen".

So are we writing a rule around one instance/complaint as a knee jerk reaction or is it something we need to do to stem the flow of people going around breeders contracts.

Honestly, if breeders spay/neutered their pets prior to placing them we probably would not be having this pop up. Maybe the burden needs to be on the breeder rather than on TICA?

(KS) The proposal does not stop you from registering your individual kittens in a litter like you are doing Martin. The mother is registered if you have a litter registration for the kittens. This is for when someone, for instance, gets a pet without papers and then breeds it to a pet without papers and then they want to register the kittens without registering the mother or father. This can circumvent a breeder's contract.

(LS) I don't think the reason to do it is because CFA does it - I think that was just a comment about where the idea came from. And I don't disagree with your thought, but I don't really think that's this issue. There are, as I can tell, two issues:

1: The whole "accuracy of pedigrees" thing; and

2: Revenue -- if certain cats must be registered before their offspring are registered, that necessarily provides us with extra revenue, as people can't just "skip" registration of a generation (or at least a generation of females).

But I don't know that I care much one way or other, except as it affects people complaining later...

Also, as far as early spay/neuter, it is my understanding that some vets in Europe won't do this procedure.

(AR) We get our income from registrations, which includes litter registrations.

I do not think this addresses people trying to register the offspring of two unregistered cats as a pedigreed cat. That is already adequately covered in our rules.

I don't see how we can force somebody who is mainly associated with (for instance) CFA, to litter register kittens of a TICA-registered cat with TICA. I don't see a great deal of benefit in making it difficult to do business with TICA or with TICA breeders.

(MW) For 2008/2009, we got the following income from registrations (percentages)

INDIVIDUAL REGISTRATIONS 4.7%

BLUE SLIPS 17.5%
LITTER REGISTRATIONS 13.1%
HHP REGISTRATIONS 0.3%
TRANSFERS/LEASES 2.0%
DUP/CORR ADD/DEL SUFFIX 1.1%

Total: 38.5%

In addition, we got a further 15.3% from selling 3 and 5 generation certified pedigrees on cats already registered with us.

So a total of 53.8% from registrations - a significant portion of our income stream but not the only thing TICA gets income from.

Revise Show Rule 22.1.2 (Francine Hicks)

Rules Final 4/2/10

Current Rule:

22.1.2 Show Dates. When a club desires a show date from the Regional Director, they may request that date in writing. After 30 days, there being no response from the Regional Director, the club may proceed with the show date, scheduling it through the Executive Office by providing the Executive Office with a copy of the written request.

22.1.2.1 The Regional Director may not deny a club a specific show date unless there is a previously scheduled TICA show in the region on the requested weekend. The first club that requests a show date is authorized to have the show.

Revision:

22.1.2.1 The Regional Director may not deny a club a specific show date unless there is a previously scheduled TICA show within 500 miles or 805 kilometers or in the same region on the requested weekend. Show locations for the same show weekend may be held within 500 miles or 805 kilometers of each other only with written permission from both show managers and the permission of the regional director/directors. The first club that requests a show date is authorized to have the show.

Rules Comments:

(KS) I think the addition is good - it clearly states the boundaries and obligations of both the clubs and the RDs.

(DL) Probably OK addition. As long as everyone is civil and after the good of TICA, I can see it working. Unfortunately I can also see a small possibility of personality clashes and egos getting in the way of good sense. Probably not enough of a problem to vote against.

(BT) I am basically in agreement with the idea of 500 miles and 805 kilometers in the same region. I think this goes beyond that and says two shows in different regions cannot put on a show opposite of each other without written permission from show managers and regional directors. This could be a problem.

(MW) something similar to this proposal worked on an informal basis within EN - however, it did not involve crossing region boundaries. I'm unsure if this is going to work across regions.

PROPOSAL FOR THE TICA BOARD MEETING

Provision for a Deputy Regional Director:

I would submit that the by-laws be amended to include the following:

A Regional Director, may with the consent of the Board of Directors, appoint an Alternate Regional Director. The Alternate Director must be a member of TICA in good standing and meet the requirements of an RD and reside in the RD's Region. The Alternate Regional Director may stand in place of that Director with all the rights and responsibilities of the RD including full participation in meetings of the Board of Directors.

The Regional Director shall appoint the Alternate Director at any time in order to have him/her confirmed by the Board of Directors. This will enable the Alternate to be on standby for use if /when necessary.

An Alternate Regional Director shall acknowledge and consent, in writing, to assume the same liabilities and responsibilities as a Regional Director, including, but not limited to, the fiduciary responsibilities of the RD. This includes all obligations to maintain confidential information. These agreements must be signed prior to confirmation of the Alternate Regional Director by the Board of Directors.

Rationale:

The above addition to the By-Laws would insure that each Region would be represented, thereby preventing the disenfranchisement of said Region due to matters beyond their control.

This would provide relief for Directors who may feel compelled to attend a meeting to represent the Region at peril of their own health. The Board would be acting in the best interests of TICA, the Region, and for the volunteer members of the TICA Board.

903.1.3.2 Reasonable room rates.

903.1.3.3 The hotel must have a full-service restaurant.

903.1.3.4 The names and addresses of additional nearby hotels other than the "official show hotel".

903.1.3.5 List of facilities offered by the hotel(s) (i.e., pool, water slide, exercise room, childcare, etc.).

903.1.3.5.1 There must be meeting rooms available in the official show hotel to accommodate the Board Meetings (See 903.1.4)

903.1.3.6 The show should be held in the show hotel or an adjacent facility, if possible.

903.1.3.6.1 Should official show hotel not be the place where the show is held, then the distance(s), maps, etc. should be provided.

903.1.3.6.2 If the show hall is separate from the official show hotel, transportation between the hotel and show hall must be provided for judges, Board Members and exhibitors.

903.1.3.7 The banquet must be held in the official show hotel.

Add:

903.1.3.8 All hotel rooms must be accessible by elevator.

903.1.6 Saturday Evening (Considerations).

903.1.6.1 The room(s) must be accessible for the entire day in preparation of the event.

903.1.6.3 The EVENT should be either FORMAL OR SEMI-FORMAL and should be advertised accordingly.

903.1.6.4 There should be additional seating for those who will attend only the "Awards Presentation".

903.1.6.5 The hotel should be able to accommodate "Special Food Service" if it is required.

903.1.6.7.1 Dinner must start no later than 7:30PM.

903.1.6.8 Menu should have at least two to three choices. Vegetarian option should be available.

903.1.6.9 Round table seating of 8 -10 persons.

Add:

903.1.6.10 Adjacent events must be arranged so that sound from those events does not interfere with speeches or other presentations. This term should be included in the contract for the banquet facility.

Rules Comments:

(MW) I support these additions - they make sense to me.

(KS) Looking at this from the hotel's perspective - they are not going to turn down a ballroom rental next door that is going to have music. I can not see them signing the contract with this insistence, even though I would love to have it so.

(AR) I'm good with it

(LS) It doesn't mean they can't rent an adjacent room. It means they need to think about the set up. At last years annual, I was sitting in the very front and couldn't hear a thing any of the speakers said, because the group. Next door had thie speakers set up on the adjoining temporary wall between the rooms. If I had been winning a big award I would have been beyond pissed..

It is not reasonable to have our event ruined because whoever is setting up and working out the spaces is clueless, and apparently we need to make sure the annual committee understands this must be dealt with in. Advance

Revise Standing Rule 905.1.4 (Laurie Schiff)

Website Advertising

Rules Final 4/2/10

Current rule:

905.1.4 References to “Outstanding Cattery” or “Cattery of Merit” on any material (i.e. web site, advertising, etc.) issued by the cattery must include the date that these designations were last earned.

Add:

905.1.5 TICA may, at any time, contact the inspecting veterinarian for verification of the information provided on the Cattery Evaluation Form.

Rules Comments:

(AR) I like the changes.

(MW) I think this is a sensible addition to the rule.

(BT) Fine with me.

Show Rules:

Current:

24.4 If an exhibitor fails to pay any entry fee or other show related debt or if a check in payment of said fees or debts is returned, the club shall notify the exhibitor. If payment is not made within 10 days, the show management may notify the Executive Office and the Regional Director and no confirmation or registration of any cat or kitten owned by the exhibitor shall be issued until the debt is satisfied.

24.4.1 No wins or points acquired by any cat or kitten owned by the exhibitor during the period of indebtedness shall be counted.

24.4.2 No cat or kitten owned by an exhibitor who fails to resolve any such debt within 30 days after the end of the show season is eligible for regional, national or international awards.

Proposed:

24.4 If an exhibitor fails to pay any entry fee or other show related debt or if a check in payment of said fees or debts is returned, the club shall notify the exhibitor as set forth in the Standing Rules.

If payment is not made within 10 days, the show management may notify the Executive Office and the Regional Director and no confirmation or registration of any cat or kitten owned by the exhibitor shall be issued until the debt is satisfied. [DELETE THIS PART AS CONFUSING]

24.4.1 No wins or points acquired by any cat or kitten owned by the exhibitor during the period of indebtedness shall be counted. REPLACE THIS SECTION WITH:

24.4.1 A procedure shall be established, as set forth in the Standing Rules, whereby the exhibitor will be notified of any outstanding debt to a TICA club, and may provide for disciplinary action, with or without a hearing, including, but not limited to, withholding of wins, titles and points accrued from the date of the show for which the debt is incurred, or such other date as may be established, and/or temporary suspension of TICA services until the debt has been paid.

24.4.2 No cat or kitten owned by an exhibitor who fails to resolve any such debt on or before May 5 of the following show year is eligible for regional, national or international awards. [keeps this in line with the deadline for scoring corrections].

1026.6.2.2 Moved up and renumbered, balance of section - it's very confusing to me to have that be the last thing, since that is the triggering event.

1026.6.1 In the event that an individual is indebted to a TICA club or organization for show entry fees, or other fees associated with entry or participation in a show, documentation supporting such debt may be forwarded to the Executive Office for further action. The documentation shall include correspondence sent to the individual, within 14 days after the completion of the show, but not later than May 5 of the subsequent show year, which ever is earlier, with a precise amount owing and an address to which the payment should be sent, and shall be in substantially similar format to the following:

Dear Exhibitor:

You still owe [NAME OF CLUB] the sum of \$[EXACT SUM OF MONEY OWED TO CLUB] for the show held on [DATES OF SHOW].

You must immediately pay the amount due. If you do not pay the amount due, [NAME OF CLUB] may forward information regarding your failure to pay that sum to TICA, and you will be subject to the consequences set forth in the TICA Show Rules and Standing Rules, including, but not limited to:

Loss of all points from the date of the show until the date the debt is paid
Suspension from TICA services

You may pay the debt by mailing funds to [SPECIFIC NAME AND ADDRESS TO WHICH FUNDS SHOULD BE MAILED] or by PayPay to [PAYPAL ADDRESS - NOTE THAT CLUB IS NOT REQUIRED TO ACCEPT PAYPAL] or by [ANY OTHER METHOD BY WHICH THE CLUB WILL ACCEPT PAYMENT].

Payment must be received by [DATE AT LEAST 14 DAYS AFTER CORRESPONDENCE IS SENT OR MAY 10, WHICHEVER DATE IS SOONER].

If you dispute that this payment is due, you must send your reasons for the dispute to [NAME AND ADDRESS OF THE PERSON TO SEND DISPUTE TO], with a copy to your Regional Director by [DATE AT LEAST 14 DAYS AFTER CORRESPONDENCE IS SENT OR MAY 10, WHICHEVER DATE IS SOONER].

1026.6.3 If the club does not provide the information required by 1026.6.1 to the Executive office within 90 days after the show, or May 11, whichever date is sooner, the procedure set forth in these Standing Rules may not be used. [this is horrible grammar - someone please fix this]

1026.6.4 Within 10 days of receipt of the documentation supporting the debt, or by May 12, whichever date is sooner, the Executive Office shall notify the Debtor by certified mail, return receipt requested, with a copy sent via regular United States Mail, First Class, Postage Prepaid, and shall inform the Debtor of the entire sum due.

1026.6.5 [was 1026.6.2.2] If the debt remains unpaid after 30 days from the mailing of notice, or by May 25, whichever date is sooner, and the Debtor does not dispute that the debt is owing, the ~~Debtor's name~~ Debtor shall be suspended from TICA services, until the debt is paid, and proof of payment furnished to the Executive Office. ~~included in the "Temporary Suspension" list published in the TICA TREND automatically.~~

1026.6.7 Upon giving notice the Executive Office ~~may~~ shall place TICA services provided to the Debtor on hold until the expiration of the 30 days or until May 25, whichever date is sooner. After that date, if the debt has been paid, the Executive Office shall process the work on hold; if the debt has not been paid the Executive Office shall:

1. Return the held work to the Debtor, unprocessed;
2. Suspend TICA services to the Debtor until the debt is paid in full; and
3. Retroactively revoke any points accrued by any cats owned by the Debtor from the first day of the show to which the debt relates until the debt is paid in full.

1026.6.8. [was not a section by itself] *In the event the Debtor disputes the debt, the Debtor may request the matter be determined by the Board of Directors. The Debtor must request this determination, in writing, using the official TICA complaint form. The filing fee for this matter, including up to ten (10) attached pages, shall be zero. The filing fee for any additional pages is specified in rule _____. The Debtor is not entitled to a "live" hearing before the Board of Directors; the Board of Directors may determine the matter at a meeting or otherwise, as it may see fit*

Original Wording for reference:

1026.6 Debts to TICA Clubs.

1026.6.1 In the event that an individual is indebted to a TICA club or organization for show entry fees, or other fees associated with entry or participation in a show, documentation supporting such debt may be

forwarded to the Executive Office. The Executive Office shall notify the Debtor by certified mail, return receipt requested, with a copy sent via regular United States Mail, First Class, Postage Prepaid, and shall inform the Debtor of the entire sum due.

1026.6.2 Upon giving notice the Executive Office may place the Debtor on Temporary Suspension.

1026.6.2.1 The Temporary Suspension period for debts which are related to a TICA show shall begin on the first day of the related show.

1026.6.2.1.1 The Debtor shall be automatically ineligible to receive any TICA services until the debt is paid in full including registration of cats and/or litters and any other service or product provided by TICA.

1026.6.2.1.2 There will be no accumulation of wins, titles or points or other scoring of cats for the show from which the debt has arisen and/or any subsequent show until the debt is paid in full, or the debt is found invalid by the Board of Directors.

1026.6.2.2 If the debt remains unpaid after 30 days from the mailing of notice, and the Debtor does not dispute that the debt is owing, the Debtor's name shall be included in the "Temporary Suspension" list published in the TICA TREND automatically. In the event the Debtor does dispute that the debt is owing, the matter shall be heard by the Board of Directors, who shall then determine the validity of the debt.
