

TICA - The International Cat Association

Oldest working cattery in WA state (BRITISHDYNASTY)

Breeder Ads ,Washington, USA

Description

We are passion about BSH breed and have several colors to offer. We served WA state for 15 years and collected wonderful representatives of the breed. Most of our breeding cats were born in our cattery as third and even forth generations in cattery. We are selecting best personalities, health and beauty of the breed. We offer support and help for new owners. We may have Selkirk Rex kittens as well, which has related qualities. britishdynastycats@gmail.com
