Complaints

4:00-5:00PM

**(Open Session)**

September 2, 2010, Thursday, 8:30AM	TYPE	TIME	PAGE
-------------------------------------	------	------	------

## Discussions

8:30-11:00AM

1. TICA's role in complaints	Schiff	Discussion	-
2. Assessing fines if complaint is upheld	Rose	Discussion	-
3. Amending Rules to allow a kitten a full show season	Hogan	Discussion	-
4. Regional roundtable			
5. Registrations of HHP kittens	Fisher	Discussion	-
6. Use of /CF for duplicate cat names	EO	Discussion	-

## Demonstration

11:00-12:00AM

1. On-line Voting	EO	Demo	-
-------------------	----	------	---

**Lunch 12:00-1:30PM**

## PROPOSALS

1:30-2:30PM

### **By-Laws** (Requires Membership Approval)

1. By-Laws 113.2 (Amend to allow on-line voting)	BOD	Approve . . . . .	9
2. Amend By-Laws 114.3.1 (Eliminate write-in votes) and Standing Rules 1014.2	Arrieta	Approve . . . . .	10

### Registrations Rules (Requires Membership Approval)

1. Revise Registration Rules 39.4.4, 39.11, 39.12, 39.15, 310.3 (requirement for original certificate)	EO	Discussion	13
--	----	------------	----

**Show Rules** (Requires Membership Approval)

1. Revise Show Rule 22.1.2.1 and add Show Rule 22.1.2.2 (Show dates)	Hicks /Crockett	Approve . . . . .	15
2. Add Show Rule 22.1.2.2 (Promotion of TICA simultaneously events within the same city)	Arrieta	Approve . . . . .	16

## Standing Rules

1. Amend Annual Guidelines	Schiff	Approve . . . . .	17
----------------------------	--------	-------------------	----

BREAK - 2:30-2:45PM

**(Executive Session)**

See Executive Agenda

**Judging Program**

**2:45 – 3:45PM**

**(Open Session)**

Judging Program		3:45 -5:00PM
1. Judges Dress Code	Hogan	Discussion . . . . . -
2. Judging Applicant Process	Ashley	Discussion . . . . . -
3. Remote Area Judging Program	Anderson	Approve . . . . . 18

**(Executive Session)**

See Executive Agenda

Hearings

**9:00 – 10:00AM****(Open Session)**

<b>Administrative</b>		10:00-11:00AM
1. Marketing Report	Decker	To be furnished . . . . . -
2. Automation Report	Hart	To be furnished . . . . . -
<b>Annual 1013</b>		11:00-12:00AM
1. Northwest Consortium	Hawksworth Approve -Weitz	. . . . . 21

**Lunch 12:00-1:30PM**

<b>Breed Reports</b>		1:30-2:15PM
1. Chausie Report	Tullo	Acceptance . . . . . 22
2. Highlander Report	Hillard	Acceptance . . . . . 24
a. Appoint new Breed Chair		
3. Kurilian Bobtail Report	Paradis	Acceptance . . . . . 26
4. Minskin Report	No Report	
5. Savannah Report	Streit	Acceptance . . . . . 34
6. Serengeti Report	Sausman	Acceptance . . . . . 38
7. Sokoke Report	No Report	
8. Toyger Report	Sugden	Acceptance . . . . . 39
9. Breed Report/Advancement	Rules	. . . . . 64
<b>Breed Advancements</b>		2:15-3:15PM
1. Donskoy Advancement	ANB	Approve . . . . . 66
2. Leopold Advancement	Registration Only	Approve . . . . . 82
<b>Members Open Meeting</b>		3:15-4:30PM

**ADJOURN**

---

**Supplemental Information**

---

## Future Meetings

<u>Year</u>	<u>Meeting</u>	<u>Club/EO</u>	<u>City/State</u>	<u>Date of Meeting</u>
2010	Annual	Jazzy Cats, MP	Santa Clara, CA	09/01-03/10
2011	Winter		Harlingen, TX	01/21-23/11
2011	Spring		Electronic Meeting	05/20-22/11
2011	Annual	MA	Philadelphia, PA	08/31-09/11
2012	Winter		Harlingen, TX	01/27-29/12
2012	Spring		Electronic Meeting	05/18-20/12
2012	Annual	GL	Columbus, OH	08/29-31/12

### 109.1 Annual Convention.

109.1.1 Annual Convention. Labor Day weekend each year is reserved for the Annual Convention. No other shows may be held the weekend of the Annual Convention with the following exception. A club may receive permission to hold a show on the Annual weekend upon application to the Board. Application must state specific reasons for the request for exemption and why such a show would have no impact on the Annual.

109.1.1.1 The rotation for the Annual Conventions shall be: Mid Pacific - 2010, Mid Atlantic - 2011, Great Lakes - 2012, Northwest - 2013, Northeast - 2014, International - 2015, Southwest - 2016, South Central - 2008, Southeast - 2009.

109.1.1.2 Proposals to host the Annual Convention in the designated region must be received for the Annual Meeting 3 years prior to the proposed convention.

109.1.1.3 In the event no club submits an acceptable proposal, any club in any region may submit a proposal to host the Annual Convention by the agenda deadline for the Semi-Annual Meeting 2½ years prior to the convention and a notice soliciting such proposals shall be published in the TICA TREND.

109.1.1.4 The subsequent designated order of rotation will remain the same.

### 109.2 Meetings of the Board.

109.2.1 All Board Meetings shall be scheduled for a minimum of 2 days.

109.2.1.1 Meetings of the Board shall be the fourth full weekend in January (Winter Meeting), the third full weekend in May (Spring Meeting) and the week immediately preceding Labor Day weekend (TICA Annual).

109.2.1.2 The Winter Meeting shall be held in Harlingen TX without a show OR at a location outside the United States in conjunction with a show, approved by the Board.

109.2.1.3 The Spring Meeting shall be held in the United States, rotating from Central to West to East, with or without a show. The meeting venue must be at or near a major international airport at a hotel with adequate meeting space, full restaurant service and airport shuttle.

109.2.1.4 The Winter and Spring meeting locations shall be selected by the Board without consideration of accompanying show.

109.2.1.5 Minutes of all meetings of the Board of Directors shall be completed within 10 working days following the meeting.

# The International Cat Association

## Board Governance Policy

### Ethics

---

**Confidentiality.** Members of the Board of Directors shall use information belonging to or obtained through their affiliation with TICA solely for the purpose of performing services as a Board member for TICA. All such information is confidential. Members of the Board may not disclose, divulge, or make accessible confidential information to any person, including relatives, friends and business and professional associates, and the general membership of TICA, other than those persons who have a legitimate need for such information and to whom TICA has authorized disclosure.

Members of the Board of Directors are reminded that S.R. 109.2.8 specifically prohibits the dissemination of information related to any matter discussed in Executive Sessions of the Board.

Members of the Board must exercise good judgment and care at all times to avoid unauthorized or improper disclosures of confidential information.

**Conduct.** Members of the Board of Directors are expected to abide by the TICA By-Laws, Show Rules, Registration Rules, Judging Program (if applicable), and all Board rulings. While members of the Board of Directors are expected and encouraged to discuss and debate proposals presented during Board meetings, once a decision is made, it is the expectation that the individual Directors will abide by and support the action of the Board, even though the prevailing position might not have been their own.

Members of the Board of Directors are ambassadors for and representatives of TICA at all times, and shall conduct themselves accordingly.

**FOLLOW-UP REPORT**

NO.	ITEM	RESPONSIBILITY	STATUS
1	Move remaining fees to the Standing Rules	Rules	W10 Agenda
2	Evaluate the Outstanding Cattery Program	Fisher/EO	W11 Agenda
3	Report on numbers of duplicate names already in use in TDS furnished to the Board 5/15/10. Discussion of changes to be made to the program. Obtain programming estimates from Larry Hart on changes proposed.	EO	A10 Report
4	Research online voting and the rules concerning voting	EO/Rules	A10 Agenda
5	Revision of Show Rule 22.1.2 (Francine Hicks) back to Committee: 22.1.2.1 The Regional Director may not deny a club a specific show date unless there is a previously scheduled TICA show within 500 miles or 805 kilometers or in the same region on the requested weekend. Show locations for the same show weekend may be held within 500 miles or 805 kilometers of each other only with written permission from both show managers and the permission of the regional director/directors. The first club that requests a show date is authorized to have the show. Consider two rules: one addressing in Region shows and the other shows in neighboring regions.	Rules	A10 Agenda
6	Add the following as suggestions rather than requirements: 903.1.3.8 All hotel rooms must be accessible by elevator. 903.1.6.10 Adjacent events must be arranged so that sound from those events does not interfere with speeches or other presentations. This term should be included in the contract for the banquet facility.	Rules	A10 Agenda
7	Consider a rule which would prohibit two TICA clubs from holding a show and an exhibition on the same weekend and in the same city. Alternatively, consider a rule to restrict the use of the TICA logo for a non-show event in such a case.	Rules/Arrieta	A10 Agenda
8	Look into putting out for bid the printing of the TICA yearbook with a report for the 2011 Winter Meeting.	Dickie/Crockett	W11 Agenda
9	Schedule a discussion on TICA's role in contractual issues between breeders and buyers.	Fisher/Schiff	A10 Agenda
10	Defer action on the Ichikawa v Tsuruoka complaint until the Annual in order to clarify whether there was a violation of show rules.	Schiff	A10 Agenda
11	Send notices to website advertisers that references to Outstanding Cattery designations must include an expiration date. Make any appropriate changes to instructions.	EO	A10 Report
12	Change Show Rule 24.4 to make clear the required communication by a club to a debtor.	Rules	A10 Agenda
13	Blueslips on line	EO-Report	W11 Report
14	Program prefixes and genetics into registration program	EO-Report	W11 Report

**Revise By-Law 113.2 - 114.6 (Board Direction)**  
**Rules Final 7/7/10**

113.2 Ballot.

113.2.1 All voting of the membership shall be by secret ballot and known only by the ~~CPA~~ firm counting the ballot.

113.2.2 All membership ballots shall be sent to each member eligible to vote by *either one of the following methods, or by a combination thereof:*

113.2.2.1 First class mail postmarked at least 45 days prior to the date announced for counting ballots as set forth in the Standing Rules.

113.2.2.2 *The method used by an established firm whose business is to conduct electronic voting for stockholders, membership organizations and the like, and which utilizes methods to ensure security in such elections. At least 45 days prior to the date announced for counting ballots, shall be allowed for the return of ballots. Further specific procedures relating to such electronic voting shall be set forth in the Standing Rules.*

113.2.2.3 Lost or misplaced ballots shall be replaced as set forth in the Standing Rules.

113.3 Counting Procedure.

113.3.1 Membership ballots may be counted by a CPA selected by the Board of Directors, ~~or may be counted by an official appointed by the Board of Directors, or by a firm in the business of conducting electronic voting.~~

113.3.2 Any ballot received after the *required* return date ~~printed~~ set forth on the ballot will not be counted.

113.3.3 All counting of membership ballots shall be computed and the vote certified within 10 working days of the last day ballots may be received.

113.3.4 All ballots shall be retained ~~in the CPA's office or by the appointed official~~ *by the person and entity charged with those ballots* for a period of at least 1 year and shall be recounted upon order of the Board of Directors.

113.3.5 All ballots must be received by the person or firm designated to count the vote through the mail or by fax ~~or by the property electronic method~~ or by any other commercial delivery service.

114.1 Time of Election. Election of officers shall take place in October every third year by ~~mail~~ ballot of the membership.

114.6 Responsibilities of Members. Each member shall be responsible to ensure that his ballot is properly authenticated and ~~placed in the mail with the proper postage affixed or otherwise forwarded by a commercial delivery service~~ *forwarded as set forth in 113.3.5 above.* No member shall attempt to invalidate or otherwise tamper with the TICA election process in any manner whatsoever.

**Amend By-Law 114.3.1, Standing Rule 1014.2.4, 1013.3.2, 1013.3.3, (Arrieta)**

**Write In Votes – Rules 7/5/10**

114.3.1 The election ballot shall contain a list of candidates. ~~The ballot for election of President, Vice President and Regional Directors shall also contain lines for write-in votes.~~ The provisions of ARTICLE THIRTEEN shall apply to election of officers.

Remove item 30 from the index (write-in votes)

**Amend TICA Standing Rule 1014.2.4** *No other advertisement, endorsement or article on any candidacy may be printed in the official newsletter. Candidates who are drafted by ~~write-in vote of the membership shall fulfill all qualifications of those filing for office.~~*

**Amend Standing Rule 1013.3.2**

*1013.3.3 The ballots shall not contain the entire text of any proposed amendment to the By-Laws, Show Rules and Registration Rules. The proposed text shall be included with the ballot. For example, the ballot may be in the following format:*

*2005 General Membership Ballot*

*This Ballot must be received by the CPA on or before December 15, 2005*

*President:*

\_\_\_\_\_ *John Smith*

\_\_\_\_\_ *Jane Doe*

\_\_\_\_\_ *Write In* \_\_\_\_\_

*Vice President*

\_\_\_\_\_ *Jane Smith*

\_\_\_\_\_ *John Doe*

\_\_\_\_\_ *Write In* \_\_\_\_\_

*Proposal 1*

\_\_\_\_\_ *Yes*

\_\_\_\_\_ *No*

*Proposal 2*

\_\_\_\_\_ *Yes*

\_\_\_\_\_ *No*

1013.3.5

**Rationale** (by Carols Arrieta)

Dear Members of the Board

This proposal concerns in changing the way of electing candidates for the offices of President, Vice President and Regional Directors to serve on TICA.

The Proposed Amendment is referring exclusively to the votes today by a Member may make follow the TICA Rules adding to the ballot by writing to other members and candidates without them had proposed as "Write In".

My proposal is to amend Articles "TICA By-Laws / Voting Membership Article 13 Page 29; 1013.3.2, eliminating the possibility of vote as "Write in" for the following reasons,

TICA today is an international institution comprised of many countries with different cultures and idiosyncrasies, which makes the thinking and acting is different between them, so you can vote that way but was in line when comprised with TICA Club in USA and Canada, today to be increased with clubs from countries all over around the world that figure it is no apt to continue applying today.

In general all the Candidates for the different positions are always encouraged by other members and have the approval of several of its members in their regions, nobody intends to hold any position if it has the support of other members, then if this is accepted must fulfil with all obligations that TICA proposed for each case.

Members who are elected by the way, "Write In" run with many advantages as they should not qualify to pay fees for 3 years in advance, registered for so long time in advance, to make public the program of future action, etc.

From now when Members are nominated by others in written form, it is assumed that the proposed tacitly gave his acceptance in silence "is not true you do not know" and run with the advantage of not confronting ideas and suggest improvements or solutions for our Institution, with its campaign to convince more members only talking with them, underground. They work behind the candidate wearing well-intentioned who publicly takes the commitment and is subject to the rules of the game or to all instances comply with the Rules, paying in advance for 3 years of their membership, and report public to the proposal, such TICA TREND, etc.. .

I think the people appear out of nowhere this candidacy is neither serious nor Democratic, for example in all the countries the Rules in order choose people from the Government are never in this way...

I believe that if Members wish to support a candidate "write in" can do but should be proposed 4 months before the election, this should enroll if accepted, pay 3 years of Membership and confront him or candidates who were proposed to occupy different Charges in that way would be eligible to participate in order to be elected in the elections and all candidates would be visible and equal to the voters.

I think this way would eliminate the underground work and malicious comments that are always behind the candidate who proposed openly and honestly. This work wear is to wear her/his figure and this is done to generate disagreements and win people over without putting his face, turning the election into something not very serious so this is also one reason that many people want nothing to do submitted to office places, nobody wants to be mistreated or subjected to scorn or criticism is unfounded.

I believe that the current way of voting is only the evil-minded benefits to working from behind and he does not want to commit to a cause, allow this type of vote that these people hide behind saying.... "I do not running myself but equal members voted for me without knowing, I thank all and nothing more ...." If they lose, they believe or do not believe they lost because they had not been proposed and which were proposed by some members and they gave their votes..... and still feel or make them feel they are important in the regions.

I also think that this method was valid when TICA started, had few members and not for today that has grown and is represented throughout the world with different societies,

ideas and customs.

I hope you understand the spirit of my proposal is based only in order to improve the system so that it is transparent and democratically at all levels and that really involves all those who really feel and attitude of service that may be of help to TICA with do so openly participating.

**Comments:**

**AR:** I understand the concept of a write in candidate is not the custom in countries outside the North American Continent; however we have always allowed for it in TICA.

**LS:** Re: [TICA-rules] Fw: Proposal

Well, there are many pros and cons to allowing write-ins. Perhaps we may recall the no-so-distant-past when Georgia Morgan was elected president as a write-in candidate.... I'm not so sure that there is a good reason to change what has been our electoral method for many years. For one example, off the top of my head, what if NO CANDIDATE declares by the deadline? Without any option for write-ins the position would be vacant. Also, there is a long tradition of allowing write-in candidates in any election here, and again, I'm not sure that a good reason exists to change our procedure.

## Revise Registration Rules 39.4.4, 39.11, 39.12, 39.15, 310.3 (Bowers)

### Rules 7/8/10

**Current:** 39.4.4 A name change may be requested provided the Executive Office receives the request for a name change within 45 days (60 days in remote areas) from the date of issue of the initial Registration Certificate and the request is accompanied by the **original Registration Certificate and** the designated fee, which fee shall be determined by the Board of Directors. The name change will be approved only if there has been no previous transaction recorded for the cat by the Executive Office (i.e., show wins, lease agreement, or any transaction processed in the original name of the cat).

**Proposed:** A name change may be requested provided the Executive Office receives the request for a name change within 45 days (60 days in remote areas) from the date of issue of the initial Registration Certificate and the request is accompanied by the designated fee, which fee shall be determined by the Board of Directors. The name change will be approved only if there has been no previous transaction recorded for the cat by the Executive Office (i.e., show wins, lease agreement, or any transaction processed in the original name of the cat).

**Current:** 39.11 Cats erroneously listed on the application for registration as to sex, color, or otherwise must be corrected at the owner's expense and the former registration certificate **must** be returned to the registrar's office for cancellation.

**Proposed:** Cats erroneously listed on the application for registration as to sex, color, or otherwise must be corrected at the owner's expense and the former registration certificate **may** be returned to the registrar's office for cancellation.

**Current:** 39.12 A cat registered in the ancestry or hybridization record and subsequently found qualified for stud book registration may be transferred upon receipt of a new application, **surrender of the original certificate**, and payment of the transfer fee.

**Proposed:** A cat registered in the ancestry or hybridization record and subsequently found qualified for stud book registration may be transferred upon receipt of a new application and payment of the transfer fee.

**Current:** 39.15 The registered ownership of a cat may be transferred to another owner upon filing with the registrar a written assignment of ownership, **surrender of the certificate of registration**, and payment of the transfer fee.

**Proposed:** The registered ownership of a cat may be transferred to another owner upon filing with the registrar a written assignment of ownership, **date of transfer**, and payment of the transfer fee.

**Current:** 310.3 The secretary shall issue a certificate of litter registration, which shall show the registration number of the litter and the serial number of each kitten. No kitten from such litter shall thereafter be individually registered unless the individual application for registration of a cat of a registered litter issued **by the association is presented**.

**Proposed:** The secretary shall issue a certificate of litter registration, which shall show the registration number of the litter and the serial number of each kitten. No kitten from such litter shall thereafter be individually registered unless the individual application for registration of a cat of a registered litter **has been** issued.

**Rationale:** We need to change the registration rules to show that we do not require that the original certificate be returned in order to do the work. We already do faxes and registrations without originals being returned so we need to bring the rules up to date. I have listed those that I found below with suggestions for the change.

**Rules Comments:**

**Rules Comments:**

LS: I don't know that I'm comfortable with this - there is specific law out there that states that an animal's registration certificate is "evidence of ownership" (like the way a "pink slip" is "evidence of ownership" of an car), and I don't

necessarily know that we really want to eliminate our requirement to have a physical signature. We are pretty much eliminating the whole point of a registration certificate here, which I don't know is a great idea.

KS: The "world" wants it faster, cheaper, etc. I think it is inevitable. I think we can still have printable registration slips. The point is that with no signatures - fraud is more possible - how can we get around that part?

LS: Well, the whole "faster and cheaper" is what has gotten us into BIG trouble (ie we have sent all of our money to China). Of course there are secure ways of dealing with these things, they are just not necessarily cheap or easy for us (since we need to invest in the technology to deal with it), hence the need to ponder it for a bit.:

AR: It is my understanding that we are already doing business this way. We need to amend our rules to allow it, or we need to tell the executive office to stop doing it that way.

**Revise By-Law 113.2 - 114.6 (Board Direction)**  
**Rules Final 7/7/10**

113.2 Ballot.

113.2.1 All voting of the membership shall be by secret ballot and known only by the ~~CPA~~ firm counting the ballot.

113.2.2 All membership ballots shall be sent to each member eligible to vote by *either one of the following methods, or by a combination thereof:*

113.2.2.1 First class mail postmarked at least 45 days prior to the date announced for counting ballots as set forth in the Standing Rules.

113.2.2.2 *The method used by an established firm whose business is to conduct electronic voting for stockholders, membership organizations and the like, and which utilizes methods to ensure security in such elections. At least 45 days prior to the date announced for counting ballots, shall be allowed for the return of ballots. Further specific procedures relating to such electronic voting shall be set forth in the Standing Rules.*

113.2.2.3 Lost or misplaced ballots shall be replaced as set forth in the Standing Rules.

113.3 Counting Procedure.

113.3.1 Membership ballots may be counted by a CPA selected by the Board of Directors, ~~or may be counted by an official appointed by the Board of Directors, or by a firm in the business of conducting electronic voting.~~

113.3.2 Any ballot received after the *required* return date ~~printed~~ set forth on the ballot will not be counted.

113.3.3 All counting of membership ballots shall be computed and the vote certified within 10 working days of the last day ballots may be received.

113.3.4 All ballots shall be retained ~~in the CPA's office or by the appointed official~~ *by the person and entity charged with those ballots* for a period of at least 1 year and shall be recounted upon order of the Board of Directors.

113.3.5 All ballots must be received by the person or firm designated to count the vote through the mail or by fax ~~or by the property electronic method~~ or by any other commercial delivery service.

114.1 Time of Election. Election of officers shall take place in October every third year by ~~mail~~ ballot of the membership.

114.6 Responsibilities of Members. Each member shall be responsible to ensure that his ballot is properly authenticated and ~~placed in the mail with the proper postage affixed or otherwise forwarded by a commercial delivery service~~ *forwarded as set forth in 113.3.5 above.* No member shall attempt to invalidate or otherwise tamper with the TICA election process in any manner whatsoever.

**Add Show Rule 22.1.2.3 (Arrieta)**  
**Rules Final 7/8/10**

**Add:**

**Show Rule 22.1.2.3**

No TICA Club or a group of TICA members may promote an event using the TICA name or TICA logo within the same city on the same day that another TICA Club has a previously scheduled TICA Show.

**Rationale (Arrieta)**

As in many small towns or in places where this activity begins is detrimental to the Club organized the show and also TICA. It has been the case in South America where the same day on which it was a licensed TICA Show, another Club Charter in the same city (Medellin - Colombia) made a exhibition without Judging with free entry and free to the public, harming the other club had to pay expenses on TICA license fees, Judges, etc., taking the loss of fewer Cats and visitors, Sponsors, losing much money.

Therefore I request to add in the Regulations where applicable a clause prohibiting the carrying out of any event that is related with TICA "Seminars, Conferences, Exhibitions Cats without judge, etc." Organized by Charter Club or another Member or group of Members on same day a Charter Club TICA Show approved a degree in the same city.

**Comments**

(AF) It seems to me that this situation would best be diplomatically handled by the Regional Director, without any additional rule making.

What's happened to date is done, but the parties could try to come to some agreement for resolving future conflict.

(BT) I suppose the wording of the proposed rule is ok but I'm not sure the idea behind the submission is in the best interest of TICA as whole.

I don't think we can tell what a group of people they can or cannot do on their own.

(LS) We cannot control non show events without creating huge liability for tica. This proposed rule is not approved by legal.

(LS) This proposal also does not take into consideration the other rules that would be affected (relating to the use of the TICA name and logo)

## **Amend Annual Guidelines**

### **Rules Final 7/8/10**

#### **Add: 903.1.3.8, 903.1.6.10**

##### **903.1.3 Facilities.**

903.1.3.1 Hotel Accommodation.

903.1.3.2 Reasonable room rates.

903.1.3.3 The hotel must have a full-service restaurant.

903.1.3.4 The names and addresses of additional nearby hotels other than the "official show hotel".

903.1.3.5 List of facilities offered by the hotel(s) (i.e., pool, water slide, exercise room, childcare, etc.).

903.1.3.5.1 There must be meeting rooms available in the official show hotel to accommodate the Board Meetings (See 903.1.4)

903.1.3.6 The show should be held in the show hotel or an adjacent facility, if possible.

903.1.3.6.1 Should official show hotel not be the place where the show is held, then the distance(s), maps, etc. should be provided.

903.1.3.6.2 If the show hall is separate from the official show hotel, transportation between the hotel and show hall must be provided for judges, Board Members and exhibitors.

903.1.3.7 The banquet must be held in the official show hotel.

#### **Add:**

**903.1.3.8 All hotel rooms should be accessible by elevator.**

##### **903.1.6 Saturday Evening (Considerations).**

903.1.6.1 The room(s) must be accessible for the entire day in preparation of the event.

903.1.6.2 The banquet facility must accommodate 400 - 500 people.

903.1.6.3 The EVENT should be either FORMAL OR SEMI-FORMAL and should be advertised accordingly.

903.1.6.4 There should be additional seating for those who will attend only the "Awards Presentation".

903.1.6.5 The hotel should be able to accommodate "Special Food Service" if it is required.

903.1.6.6 6:30 - 7:30 PM No host bar.

903.1.6.7 Banquet must be sit-down dinner (not a buffet).

903.1.6.7.1 Dinner must start no later than 7:30PM.

903.1.6.8 Menu should have at least two to three choices. Vegetarian option should be available.

903.1.6.9 Round table seating of 8 -10 persons.

#### **Add:**

**903.1.6.10 Adjacent events should be arranged so that sound from those not interfere with speeches or other presentations. This term should be included events does in the contract for the banquet facility.**

**Amend Judging Program - Remote/Developing Area Applicants(Anderson)**  
**Rules Final 7/5/10**

**ARTICLE THREE**

*(NOTE: Existing articles following will need to be renumbered.)*

**Application of Trainees in Remote/Developing Areas**

43.1 In order to foster the growth of TICA in remote areas of the world, TICA must be able to encourage potential applicants to enter the judging program without the hardships of meeting current training program pre-requisites. The **Remote/Developing Area** Judging Program will be in effect for overseas trainees entering the Judging Program until that area is considered by the Board of Directors to have established a TICA licensed judging population able to handle the demands of TICA shows being produced within said area. After that time, new applicants may continue to apply to the program, but it will be under the regular and current rules of the Judging Program.

43.2 Anyone may apply to the Judging Administrator/Designee for acceptance as a Trainee in the TICA Remote Area/Developing Country Judging Program. It will be the decision of the Board of Directors and the Judging Administrator/Designee which areas of the world are to be considered remote/developing.

43.2.1 Applications must be received by the Judging Administrator by May 15<sup>th</sup> for application at Annual, by October 15<sup>th</sup> for the Winter Meeting and by January 15<sup>th</sup> for application at the Spring Meeting.

43.2.2 The Board of Directors may require additional work or make certain exceptions when circumstances or experience warrant and may take the liberty of reviewing applications on a case by case basis. If an applicant is applying for acceptance into the Judging Program from a country not having a strong TICA presence, s/he has the option of applying using the following guidelines or using the guidelines in place for the current Judging Program. Once a TICA presence has been established to the satisfaction of the Board of Directors, the opportunity to apply to the TICA Judging Program will revert back to the regular process guidelines to be followed for application.

43.2.3 Names and photographs of applicants **MUST** be sent to the Judging Administrator with their request for publication in two issues of the TREND prior to having their application considered at a Board Meeting. The Judging Administrator will then notify the TREND Editor to place the names in the Notice of Intent Listing in the TREND. TICA members shall be invited to send comments, favorable and/or unfavorable, to the Judging Administrator/Designee and to the applicant's Regional Director. **No application will be considered by the Board unless this requirement has been met.**

43.2.4 Answers to questions on the Application Form must be submitted in English.

43.2.4.1 All supporting documentation or attachments must be translated into/submitted in English.

43.2.5 All applicants to the Remote Area Judging Program must meet the following requirements:

43.2.5.1 Must be 18 years of age or older.

43.2.5.2 Must be a member of TICA in good standing.

43.2.5.3 Must have a TICA Approved Allbreed Judge Sponsor.

43.2.5.4 Must have been a TICA member for a minimum of 4 years prior to application.

43.2.5.5 Must be a working member of an active TICA club.

43.2.5.6 Must have exhibited in a minimum of 10 TICA shows.

43.2.5.7 Must have a TICA registered cattery.

43.2.5.8 Must have been breeding cats at least 5 years and have a minimum of five TICA registered litters.

43.2.5.9 Must have shown a minimum of three whole cats to TICA Grand Championship status or the equivalent through another association and submission of adequate proof of same shall be required.

43.2.5.10 Must have served as a Head Ring Clerk 2 times, followed by completion and passage of the Head Ring Clerk licensing exam.

43.2.5.11 Must have served as a Master Clerk 1 time, followed by completion and passage of the Master Clerk licensing exam.

43.2.5.12 Must have served as a TICA Entry Clerk 1 time. If this requirement becomes a hardship in obtaining a contract from a club, with the approval of the Judging Administrator, the applicant may be permitted to take the Entry Clerking licensing exam one time to see if they are able to pass without the one time experience. If passage is failed, then the one time entry clerking assignment will need to be fulfilled and the test re-taken post-assignment completion.

43.2.5.13 Must have served as a TICA show manager 1 time with positive feedback from the club being represented.

43.2.5.14 Must have sent a 4 x 6 professional color photograph to the TICA Yearbook Editor.

43.2.5.15 Must be familiar with and agree to abide by the TICA By-Laws, Show Rules, Registration Rules and Breed Standards.

43.3 Consideration may be given for International or Regional awards or the equivalent thereof from other associations; however, all of the above requirements must be met.

43.4 Applicant must send the application fee in US currency to the Executive Office, and must send the original application to the Judging Administrator/Designee. Documentation verifying fulfillment of all requirements as listed above in 43.2.5 must be included in the application packet, including:

43.4.1 Personal resume.

43.4.2 Letter of sponsorship from a TICA Approved Allbreed Judge.

43.4.3 Letter of recommendation from a club in the region of residence, in which the applicant is an active member.

43.4.4 Copy of the Head Ring Clerk and Master Clerk License.

43.4.5 A recent professional 5" x 7" color photograph.

43.4.6 Documentation verifying fulfillment of all requirements as listed above.

43.5 When the applicant has an Allbreed Sponsor and up to 1 year prior to the anticipated date of application, the applicant may request a comprehensive written open book examination covering TICA By-Laws, Show Rules, Breed Standards, Ethics and the cat fancy, in general. The applicant must score 95 per cent or higher on the examination, and all questions missed must be answered correctly. If the applicant fails to complete the examination within the time allowed, application may not be re-submitted for 6 months.

43.5.1 Application and examination must be received NO LATER THAN May 15<sup>th</sup> for application at the Annual, October 15<sup>th</sup> for application at the Winter Meeting and January 15<sup>th</sup> for application at the Spring Meeting.

43.5.2 Upon successful completion of the examination, the Judging Administrator will submit the applicant's name for consideration by the Board for acceptance into the TICA Judging Program.

43.6 The Board of Directors will consider the applicant's knowledge, ability and experience in breeding, showing, clerking, show management and club activity. The Board will also consider the applicant's personal appearance, deportment, attitude and any other factors it deems appropriate. The Board may approve the applicant upon any appropriate terms or conditions, deny the applicant or require additional work.

43.6.1 If the applicant is denied admission to the Judging Program at the Annual, the applicant may apply for consideration at the following Spring Meeting. If denied at the Winter Meeting the applicant may apply for consideration at the following Annual. If denied at the Spring Meeting the applicant may apply for consideration at the following Winter Meeting.

(Addition in response to last BOD Mtg)

43.6.2 If the applicant is denied admission on the second presentation to the Board, s/he must wait 1 year before re-applying for consideration.

43.7 Upon acceptance by the Board of Directors, the applicant must send a recent professional color photograph (5" x 7" / 12.5cm x 18cm) scanned at 300 dpi to the Yearbook Editor.

**43.8 Advancement will follow current TICA Judging Program requirements.**

Rules Comments:

(LS) My comments:

I object as follows:

First, we only recently - within a few years - removed the "overseas" portion of the judging program (with lessened requirements), and I see no evidence that doing so hurt TICAs growth.

Second, continued concerns with the quality of persons in our judging program will not be helped by lessened requirements for some, especially in areas where it is more difficult for applicants to be personally known to board members, other judges, etc.

Third, I continue to believe that lessened requirements for some are extremely insulting to those that have spent the necessary time and effort to comply with the "regular" requirements, and this continued attitude is not helpful in attracting top quality people to our judging program.

In other words, if those requirements are not really necessary, why are they requirements at all? (One specific example here is the requirement to be a licensed entry clerk - if this is not critical knowledge, why are we requiring such 'busy work' from our regular applicants, and if it is critical knowledge, why would anyone, no matter where they are located, exempt?)

(DL) I have no particular comments. Though I do agree it's getting hard to keep up with all the changes to the judging program. But of course there are many things to be said on many topics...

(AR) The judging program continues to be a moving target. Didn't we just eliminate the overseas requirements?

(AF) I have no problem with the lessened requirements for applicant acceptance from "remote" areas; however, the examination and subsequent training should not be compromised.

I do think at times we have to put ourselves in other peoples shoes, and consider their circumstances and what we would think/or do in the same situation. There are many fine members and exhibitors who do not have the same opportunity that we have in the more populated areas, and we should not ignore their potential to make a significant contribution to TICA, and thereby help to develop and expand TICA's presence in those areas.

(BT) My feeling is that as TICA continues to grow we are going to need to meet the challenges in all aspects of TICA business....with the customer, with the exhibitor, with the judging applicants - we don't have any more active judges than we did 15 years ago and TICA has expanded considerably in that time frame...our judging panel growth is flat.

## NW 2013 Consortium

June 14, 2010

Ms. Vickie Fisher, President  
The International Cat Association  
139 Palacio Road  
Corrales, NM 87048-9650

Dear Vickie:

On behalf of the NW 2013 Consortium, it is my pleasure to inform you that a Consortium of all the Clubs in the Northwest Region will be submitting a bid to host the 2013 Annual.

We respectfully request time on the 2010 Annual Board meeting agenda in order that we may present our proposal for the Board's consideration. We will need approximately 15 minutes to make the presentation.

Please let us know what day -- we would prefer Friday, September 3, 2010, and approximate timeframe we can expect to be on the agenda so we can plan accordingly.

Thanks in advance.

Sincerely,

Elaine Hawksworth-Weitz

CC: Leslie Bowers, TICA Executive Office  
Ellen Crockett, Northwest Regional Director

*NW 2013 Consortium – is represented by every club in the Northwest Region of TICA.*

# 2009/2010 Chausie Breed Report

This has been a year of growth for the Chausie Breed Committee. The breeders have met all but one of the requirements toward championship status within TICA. As time advances, we expect to meet that final criterion within the coming years.

## CU to CU Breedings

While the number of new Chausies registered appears to have fallen, the number of cats needed to advance toward “SBT” status has risen. Seventy-four percent of the cats that were registered for the year 2009 will produce “SBT” kittens. We expect this number to be much higher as the year 2010 draws to a close. Of the 2010 registrations, 23% were actual “SBT” kittens, contributing to this furtherance. Due to this advancement, we are seeing traits becoming more consistent as we continue to have Chausie to Chausie crossings.

## Chausies Registered

By June of 2009, the total number of Chausies registered was approximately 1369, with only six percent of the registered cats having a non-permissible outcross used. This means that ninety-four percent of the Chausies registered are capable of producing “SBT” level cats. The challenge during the 2008 breeding year has been to produce fertile “C” level males. The increase in fertile “C” level males will produce an increase in the number of “SBT” Chausies registered this coming year. Additionally, the breed is seeing it’s first fertile “SBT” males in the breed.

## Chausies at the Shows

Chausies have also been in the show halls during the last show year. Fifteen individual cats were judged in twenty-one shows across five regions. There has been a general consensus that Chausies are developing a distinct look as their own.

## The Chausie Breed Committee

The Chausie Breed Committee has maintained an active E-Group list since the Chausies basic inception into T.I.C.A. This is where committee members discuss various aspects of the breed, feedback from the shows, and revisions to the goals of the breed. The breed group updated its website after the first of the year, as they do every year, and invites you to visit the website at [www.chausiebreedcommittee.com](http://www.chausiebreedcommittee.com) to view photos and breed information.

## Chausie Rescue

Chausie Rescue (established March 21, 2001) is still helping Chausies in need as well as other hybrid cats. The rescue organization is currently listed with Purebred Cat Rescue and works with Hybrid Cat Friends as well. Chausie Rescue maintains a website where we can be contacted to help out chausies in need of placement, or owners if they just have a few questions. Currently, the rescue group has been successful in assisting all cats that were referred to Chausie Rescue.

## In Conclusion

In conclusion, Chausie breeders continue education in various formats as well as mentor new breeders. We are predicting that the numbers of cats we need to finish our last criterion will be on the rise thereby ensuring our advancement toward championship status.

Respectfully Submitted,  
Bobbie Tullo  
Chausie Working Breed Chair

## **The Highlander Breed Group Report: 2009-2010**

The Highlander has been in PNB since 2008. Unfortunately, the breed seems to have floundered in the past year, possibly due to the lack of guidance and communication from the current Working Breed Chair. As of June 21<sup>st</sup> 2010 there were only three Highlander Breed Group members. However, this writer is aware of several Highlander breeders who still love the breed and wish to see it flourish. Given the amazing nature and unique look of the breed, there is no doubt it could thrive under the proper leadership.

### **Highlander Litter Registrations**

In 2009 there were 7 HG Longhair litters registered including 24 males and 13 females for a total of 37 HG Longhair kittens. This is down by half from 2008 when there were 14 litters registered for a total of 63 kittens.

There were 22 HG Shorthair kittens registered including 37 males and 52 females for a total of 89 kittens. This number is down by over half from the previous year when there were 45 litters registered for a total of 186 kittens.

### **Individual Highlander Registrations**

In 2009 there were 8 male and 11 female HG Longhair cats registered for a total of 19 HG Longhair cats registered. This has improved over the previous year where there were only a total of 5 HG Longhair cats registered.

There were 17 male and 21 female HG Shorthair cats registered for a total of 38 HG Shorthair cats registered in 2009. This is significantly down from the previous year which saw 79 HG Shorthair cats registered.

### **Highlanders in the Show Hall**

Three unique Highlanders (one Longhair and two Shorthair) have been shown in three unique shows in two TICA Regions (MP, SW) by two different exhibitors. The three cats were all from the same cattery.

### **Summary**

In conclusion it seems evident that the Highlander breed and breed group is lacking direction and motivation at this time. It is this writer's belief that this is due to the absence of leadership providing inspiration and encouragement to the current breeders. For this reason the Highlander Breed Group members intend to approach TICA with a request for a new Provisional Working Breed Chair. Hopefully under new leadership and renewed enthusiasm the breed will begin to prosper once again.

June 22, 2010

Dear Board Members:

We, the Highlander Breed Group wish to formally request a change in our Provisional Working Breed Chair. We have been unable to contact Cindy Hilliard for over a year now, and it is clear that she has lost interest in our breed. We are now attempting to regroup and reorganize our breeders, set new goals, and work more diligently toward advancing our breed through TICA.

We respectfully submit Robin Lively's name to you for consideration as our new Provisional Working Breed Chair. Robin has been breeding Highlanders for over four years and is well versed in the unique genetic mutations that are associated with this breed. She is a strong, and self motivated individual, and passionate about our breed. Although she is not as familiar with TICA as other breeders are, she has surrounded herself with resources to help guide her through the process, including Bobbie Tullo who is our TICA liaison.

We thank you for your time and hope that you will seriously consider our request for a new Provisional Working Breed Chair. We are convinced that without this change our breed will continue to flounder, but with new leadership we intend to flourish!

Respectfully,

The Highlander Breed Group Members

## 5 July 2010 Kurilian Bobtail Breed Report for Inclusion at TICA Annual Board Meeting

Pursuant to Registration Rule 33.6.3.3 “The Preliminary New Breed Class Working Group Chair shall provide an electronic report on the status of the breed development and other issues relevant to the breed to the Genetics Committee, the Rules Committee, and the Executive Office for inclusion in the Agenda at least 60 days prior to each Annual Meeting.” I am hereby providing such a report on the Kurilian Bobtails.

First and foremost the Kurilian Bobtail breed group petitions TICA’s Board of Directors to immediately advance the Kurilian Bobtail to full Championship status. A check in the amount of \$100 will accompany a hard copy of this report to TICA’s EO.

If TICA wants to be a truly International Cat Association then the BOD must accept the fact that since the Kurilian Bobtail is a natural, native Russian breed of cat, the Kurilian Bobtail is more popular in Russia and the Northern European region than it is in the United States.

The Kurilian Bobtail is not a contrived breed, it is a natural breed still found in the wild on the Kuril Islands, it is also not a developing breed, outcrosses are not permitted and the look of the cat has been stable in breeding for at least two decades. The Kurilian Bobtail is in full championship status in three international associations: WCF since 1995; FIFe since 2004 and LOOF in September 2009. The standard by which the Kurilian Bobtail is judged is not different in any of the three associations in which it is accepted in championship status, and that same standard was presented to TICA in 2008. There were minor wording changes and variations in point totals made to conform to TICA requirements.

As far as the numbers of Kurilian Bobtails registered in TICA there are 230 and the report can be viewed as the following TICA document: [kurilian\\_cat\\_reg\\_count.pdf](#)

There have been 27 litters registered by a total of 13 different catteries, of those catteries only 5 are in the US, the balance are in Russia. The report from TICA is in the following documents: [kurilian\\_litter\\_yrreg\\_count.pdf](#) and [kurilian\\_litter\\_cattery\\_list.xls](#)

Overall litter registrations in TICA have fallen from a high in 2007 see Litter Registration Counts by year registered in the agenda for the May BOD meeting, page 56.

The Kurilian Bobtail is being shown extensively in the Northern European region as well as in the US. Since achieving PNB status May 1, 2008 there have been 69 unique cats shown; 30 of those were shown in the 2009-2010 show year alone. There were 22 shows in the 2009-2010 season where Kurilian Bobtails were exhibited, with 13 of those shows in Russia, one in Norway and 8 in the US. The statistics can be viewed on the TICA document: [Kurilian\\_shown.pdf](#)

The Shadow & Light Show June 28-29, 2008 was left out of the show report where one Kurilian Bobtail was shown, Broshka Kurilkot, seen by PP/BB/ANG/EMS.

What TICA’s BOD seems to fail to understand is that the Russians network by showing their cats and until the Kurilian Bobtail is advanced to championship status in TICA the Russians have no real

reason to show their Kurilian Bobtails with TICA. It is especially difficult for them to register their cats with TICA because of the language barrier, currency exchange issues and misinformation about the use of other association pedigrees to document the cats. More have been registered with TICA as they have been registered for shows, but the restriction that PNB must be registered with TICA to be shown actually works against TICA because the breeders have the aforementioned difficulties.

We are in a world wide monetary recession and registrations of litters and cats is down by TICA's own documentation, now is not the time to insist on more litters and more registrations for a breed that is already in championship status in three other international associations. Progress the Kurilian Bobtail to full championship status and I believe that you will see an increase in litter registrations, cat registrations, cattery registrations and quite possibly new memberships once the restrictions on the Kurilian Bobtail are lifted.

Sharon Ann Paradis, Kurilian Bobtail Working Breed Group Chair

## **The Savannah Breed Report: 2009-2010**

The Savannah has now been in ANB for two years. They continue to be shown on a regular basis and are getting more consistent feedback from judges that they are seeing a unique breed, rather than bits and pieces of other breeds. As we continue to 'lock in' desirable traits as we breed second, third and fourth generations of SV x SV crosses we seem to be bringing out more and more of the Serval like traits we desire. It is our belief that we will continue to make great strides toward creating Savannahs that reflect our breed Standard over the next year or two.

### **Litter Registrations**

In 2009 there were 87 SBT litters registered including 156 males and 138 females totaling 294 total SBT kittens, 454 NFoundation litters including 680 males and 716 females totaling 1396 NFoundation kittens, and 262 PFoundation litters including 364 males and 431 females, totaling 795 PFoundation kittens. This adds up to a grand total of 803 litters registered representing 2485 Savannah kittens. This reflects a doubling of the SBT litters registered over the previous year, while both the NFoundation and PFoundation litter registrations have decreased from the prior year.

So far in 2010 there have been 29 SBT litters, 143 NFoundation litters, and 105 PFoundation litters registered, representing a total of 856 total kittens.

### **Individual Savannah Registrations**

In 2009 there were a total of 1020 Individual Savannahs registered, and so far in 2010 there have been 325 Savannahs registered. The breakdown is as follows:

2009

- 218 A registered Savannahs
  - 12 PFoundation
  - 206 NFoundation
- 352 B registered Savannahs
  - 32 PFoundation
  - 320 NFoundation
- 341 C registered Savannahs
  - 238 PFoundation
  - 103 NFoundation
- 109 SBT Savannahs

2010

- 201T registered Savannahs
- 55 A registered Savannahs

9 PFoundation  
46 NFoundation

113 B registered Savannahs  
10 PFoundation  
103 NFoundation  
109 C registered Savannahs  
47 PFoundation  
62 NFoundation  
46 SBT registered Savannahs

It appears that we are finally registering our Savannahs in a timely manner. You may recall that there has always seemed to be a lag between Savannah births and individual Savannah registrations in prior years' reports, however we can finally state that 2009 definitely showed an increase in registrations over the previous years. The above reflects that over 40% of the Savannah kittens born were individually registered with TICA in 2009. In addition, in the past two years only about 10% of all Savannahs registered were SBT, this year we are finally seeing an increase with a modest 15% of all Savannahs registered having an SBT code.

### **Savannahs in the Show Hall**

During the 2009-10 show year there were 77 unique Savannahs representing 33 different catteries, shown by 42 different individuals at 73 different shows in 10 different regions, including internationally. Comparing this to the 2008-09 year where there were 50 unique Savannahs representing 19 different breeders, shown by 28 different individuals at 48 different shows in 9 different regions, it is clear that there has been a significant increase in the presence of the Savannah in the show hall in the last year. To see the improvement better, below is a table comparing the two years:

<u>2009-10 show year</u>	<u>2008-09 show year</u>
77 unique Savannahs	50 unique Savannahs
33 unique catteries	19 unique catteries
42 unique exhibitors	28 unique exhibitors
73 unique shows	48 unique shows
10 TICA Regions	9 TICA Regions

The only regions where Savannahs have not been shown since moving to ANB are the North West Region (however Savannahs have been shown in the NW in this current TICA show year), as well as Southern Europe and Asia.

### **Savannahs International**

In the past year Savannahs have seemed to take a leap forward internationally. While in the previous show year there were only 11 Savannahs shown in 10 shows internationally and only one shown outside of the EN region, the most recent show season saw 41 Savannahs shown in 24 different shows in three international regions (EN, EW, SA). We are excited to see such a boost in our international representation and hope that we will continue to see even more Savannahs in our international rings in the future.

### **Savannah-Ramas**

We only had one Savannah-Rama during the 2009-10 show year and that was at the TICA Annual last year in Florida. However, Savannahs did participate in a Felines of the Future program during the year where ALL new breeds were exhibited in an educational environment, and Savannahs had good representation there. As for the future, our International compatriots are working on holding their very first European Savannah-Rama in the UK at Christmas, and we hope to have at least one or two more Savannah-Ramas in the US as well.

### **Savannah Breed Seminars**

A Savannah Breed Seminar was presented in San Antonio, TX in May by Brigitte Cowell and Kristine Alessio. A good deal of valuable feedback was provided which once again helped revamp the Standard into a more succinct and clear document that both judges and breeders can more easily interpret.

### **Savannah Breed Section Website**

The Savannah Breed Section Website continues to be an educational resource for those interested in Savannahs, those owned by Savannahs, and Savannah breeders alike. We are in the process of negotiating with a new web designer to continue the work that was started in revamping the site over a year ago, which will include a Member's Only area which can be used for such matters as collection of statistical data on health issues to evaluate trends, present objective information and hold frank discussions amongst breeders, and compile any other data that we wouldn't want presented publicly.

### **Hybrid Law Resource**

Hybrid Law has now been in existence for about two years. This is a website that reviews laws related to hybrid ownership in the United States. It seems to be used extensively by both breeders and potential buyers of hybrids and seems to be the primary source being used to obtain information on hybrid laws. It will also be getting a new webmaster so that valuable new information can be posted. We are also hoping to expand by including more county and city laws as they are learned, as well as stretching internationally to as many different countries as we can gather data on.

## **Savannah Rescue**

As the popularity of the Savannah breed continues, Savannah Rescue has taken steps to prepare for the surrender of Savannahs. We have added a Secretary/Foster Coordinator, Mary Jo Morrison to assist us in maintaining the international foster database and also with general managerial tasks. Savannah Rescue is also in the process of obtaining a 501 c 3 designation.

During The past year (June through June) a total of 15 Savannahs were surrendered to Savannah Rescue and successfully rehomed. A number of additional cats were able to stay with their owners after some basic advice on normal cat behavioral issues.

There were three notable and unusual Rescue situations in 2010. First, we were confronted with an order from the City of Seattle Animal Control to a pet owner that said that all non-domestic source hybrid cats were illegal and hence he needed to get rid of his two adult F1 males. After correspondence between Savannah Rescue, the owner, his attorney and Animal Control the cats were allowed to stay with the provision that if they ever escaped they would be immediately seized and euthanized. Rather than take such a chance with his beloved pets, the cats were surrendered to Savannah Rescue and rehomed. Fortunately, the breeders of these cats allowed them to stay together so that they could remain as a bonded pair with their new family. They are now legally and happily residing in California. Second, we were faced with rehoming an elderly (probably one of the first produced) F1 male. At 13 years old, "Bus" needed a new home. His breeder requested Savannah Rescue's assistance and we found a wonderful new family who was ready to take an elderly cat and make him a cherished pet for the rest of his years. He has adjusted amazingly well almost immediately and has already a fan club within his new owners' social circle.

Our final unique situation concerned the rescue of a very young kitten that had been the subject of a raffle on Facebook. In an attempt to garner fans or "likes", a TICA registered breeder who is listed as a cattery of excellence, raffled off a kitten. The kitten was hand delivered in Las Vegas to a young person (randomly selected and no vetting of the appropriateness of that home) who was ill equipped to deal with a kitten. Within hours the kitten had been given to a friend and the next day was listed as for sale on Craigslist. Savannah Rescue found out that this was an un-spayed female kitten and rather than risk her falling into the hands of someone looking to make a quick buck by purchasing a cheap female, and also to prevent this kitten being sold into yet another ill-prepared home, we purchased her for \$800.00. This is the first time we have ever felt that a situation involving a cat or kitten was serious enough to warrant purchasing the kitten/cat. We can happily report that the Facebook kitten, now known as Penny, is in foster care and almost is of a proper age and weight to be spayed and adopted out.

Kristine Alessio, Brigitte Cowell, Mary Jo Morrison, Savannah Rescue

## **SERENGETI BREED COMMITTEE ANNUAL REPORT JULY 1, 2010**

Work continues on the development of the Serengeti Breed. More individuals are starting to breed and show Serengetis in various regions around the world.

A summary of our breed's litter numbers and registrations includes the following:

Total Serengeti litters since inception – 230 litters resulting in 880 kittens

Total Serengetis registered since inception of the breed – 385

Thus, 44% of the kittens born were ultimately individually registered.

Over the last 5 years there has been an average of 50 cats registered each year.

For 2009 there were 27 litters resulting in 118 kittens and 44 new individual registrations

To date for 2010, there are 4 litters resulting in 13 kittens and 22 new individual registrations.

### **Cattery Summary:**

Since inception 55 recognized catteries have registered Serengetis

21 catteries have registered Serengetis during the last 2 years

### **Showing:**

Serengetis were shown in 6 shows in 4 Regions in 2009

To date, Serengetis have been shown in 2 shows in 2 regions in 2010.

### **Publicity:**

Serengetis have been the subject of several articles in Cat Fancy, including a photo on the cover of one issue and an article in Kittens USA. We are also featured in Cats 101. I have scheduled a breed presentation at this year's Annual for Saturday afternoon.

Our two largest hurdles to advancing the breed are keeping enough active breeders interested in developing the breed in order to meet the criteria to advance to the next level and showing enough cats for the judges to handle. I have now placed several show quality cats with individuals that plan to actively show them in various regions of the US. They are being shown in the UK and Europe in small numbers.

I would like to thank our breed advisor, Bobbie Tullo, for her unwavering support over the years and the TICA Board for continuing to allow us to develop this interesting and beautiful breed.

Respectfully submitted

Karen Sausman

Serengeti Breed Chair

# TOYGER 2010

## Champion Breed Report

June 1, 2010

Dear TICA Board,

Please accept this, our 2010 TOYGER Breed Report, covering the first three exciting years of the TOYGER as a Championship breed --- FIRST and FOREMOST in TICA.

We believe that we have faithfully fulfilled the membership and showing requirements far and above those stated for the champion breed probationary period. The cats are developing nicely toward our original toy-tiger ideal in type, color pattern, temperament and health. The Toyger breed is becoming better known and is attracting into the TICA cat fancy both excited new breeders (about whom we are still being very selective) and adoring pet owners.

We project that the TOYGER will continue to be a real asset to TICA in the future.

Respectfully submitted:

Judy Sugden,  
TOYGER Breed Committee Chair  
[millwood@mail.uia.net](mailto:millwood@mail.uia.net)

Robert Rohrbaugh,  
TOYGER Breed Committee  
[wildfxcats@comcast.net](mailto:wildfxcats@comcast.net)

## Toyger (TG) Breed Report 2007 – 2010: 3 First Years of Championship

The first three years of TICA Championship status have been an exciting whirlwind of activity for the Toyger, the Breed Committee and the breeders. The Toyger cats are definitely improving as heard from judges and showpersons of other breeds. The numbers of cats being bred, registered, and shown in TICA has increased in a responsible manner since pre-championship years. Breeders and public are thrilled with their charges and by the future of the breed. More breeders are contributing to TICA in auxiliary roles and we are having fun along the way.

### The Toyger Cat...

Uniformity of the cats shown is perhaps the most obvious improvement of the last three years. The Toyger classes all look like Toygers! Better head type is finding its way under the bright tigery pattern: smaller eyes, longer face and bigger chin. Circular face patterning such as cheek and temple marks is surfacing in unexpected kittens. Temperament is still good but could be better in some programs. Repeat customers are asking now for second and replacement cats. Toygers make alot of friends.

### Toyger TICA Statistics...

The Toyger breed statistics reflect the excitement of receiving Championship at the end of 2006 and starting to show for titles in May of 2007. Reality set in at the end of 2008 with the 2009 numbers reflecting a souring economy: fewer kitten sales have resulted in a decrease of litters bred by responsible breeders.

- Litter registrations: 2006 = **208**, 2007 = **253**, 2008 = **276**, 2009 = **212**
- Cat registrations: 2006 = **121**, 2007 = **117**, 2008 = **190**, 2009 = **177**

Despite the bad economy, breeders have continued showing Toygers and the number of cats and catteries attending shows has been steadily increasing. The Toyger is not just attending shows but many are also winning titles. During our first three years in Championship showing, there were 3 SGC and 5 Regional Winner Toygers. We believe that there were at least 150 Toygers competing (Ch, alter, kitten and HHP) in TICA shows during the last three years. Our breeders appreciate the even handedness and recognition of our judges.

- Championship cats shown (ANB SBT adults 2006-07 = 29) 2007-08 = **36** 2008-09 = **23** 2009-10 = **31**
- # of Rings Ch cats shown in 2007-08 = **817** 2008-09 = **667** 2009-10 = **788**
- # of Regions Ch cats shown in (ANB 2006-07 = 8 ) 2007-08 = **9** 2008-09 = **8** 2009-10 = **9**
- Toygers earning **SGC** 2006-07 = 0 2007-08 = **1** 2008-09 = **1** 2009-10 = **1**
- Toygers earning **QGC** 2006-07 = 0 2007-08 = **4** 2008-09 = **1** 2009-10 = **3**
- Toygers earning **TGC** 2006-07 = 0 2007-08 = **1** 2008-09 = **0** 2009-10 = **0**
- Toygers earning **DGC** 2006-07 = 0 2007-08 = **0** 2008-09 = **1** 2009-10 = **4**
- Toygers earning **GC** 2006-07 = 0 2007-08 = **2** 2008-09 = **2** 2009-10 = **0**
- Toygers earning **CH** 2006-07 = 0 2007-08 = **4** 2008-09 = **11** 2009-10 = **9**

**Thus the new Championship Toyger breed has met and far exceeded the requirements set forth for the three year Probationary period for breeding, registrations and showing.**

### TICA Membership and Breed Group as brought in by the Toyger...

Certainly the breed has brought TICA and the Fancy new members; as at least one half of our breeders have never bred cats before or at least not in TICA. Membership numbers in the Toyger Breed Committee continue to be problematic for us. We have maintained double the required number for a breed on the usual Championship probation. However the numbers of actual Toyger breeders registering litters in TICA are at least twice as high for each of the three years.

Our breeder turnover has been almost half of our people over the last three years. Despite our best screening for new breeders, our mentoring program, and our Toyger community approach; in the first three years of Championship we have lost 4 breeders to the economy, divorce or loss of home; 1 breeder to personal health issues; 3 breeders to priority changes; and 4 breeders to husbandry challenges. These have been replaced with new breeders. Many others (most often Bengal breeders) have asked to breed Toygers but we are being as selective as possible to ensure long term breed success.

This is the first year that there are as many Toyger breeders outside of the US as inside. The United Kingdom and Russia are developing programs with as high quality Toyger as any found in the States. The new TICA webpage registrations and printing of registrations should help the language/membership/registration problems that we are having.

**Toyger Breed Committee...**

Although the Toyger Breed Committee has been listed as Inactive recently, in reality the Committee has been quite active far beyond the usual Standard revisions. We have:

- \* Assisted in conversion of the TICA TG Standard into acceptable wording for other organizations as needed, to help insure uniformity in the breed world wide.
- \* Given general education rings and one seminar to help educate judges and the public.
- \* Promoted TICA's Toygers with photos and interviews in many articles around the world.
- \* Encouraged and directed a detailed study of the breed online with the Toyger breeders with a goal of a knowledgeable and inspired core to mentor new breeders in there areas and languages and to carefully revise our Standard next year – including suggestions from Judges and others.
- \* Provided quality assurance of show/breeder Toyger cats exported from the US to other countries and mentorship for those new breeders and show persons.
- \* Served as a breeder coordinating and help center.
- \* Encouraged the joining of TICA and required the registration of Toygers in TICA as far as is possible.
- \* Assisted in Toyger rescue whenever possible.

**Auxiliary Activities by Toyger Folks...**

Breeders are also becoming more active in other areas to promote TICA world wide:

Junior Achievers/Junior Exhibitors – 2

Judging Program – 2

Clerking Program – 1 Assisting as necessary – 4

Members of local TICA affiliated show clubs – 8

TICA's beautiful and popular TOYGER breed has achieved the probationary requirements and proven itself to be an increasing asset. We look forward to coming out of these economic times with an ever more exciting Champion companion cat.

Respectfully submitted,

Judy Sugden

Toyger Beed Committee Chair

Robert Rohrbaugh

# Toyger Breed Report

## Show History

2007 Thru 2010

Requirement: Registration Rule 33.8.15.2

Exhibit a minimum of 10 individual cats of the breed in at least 15 rings in at least 3 regions.

Listed below are Championship Toyger Cats shown between May 2007 and April 2010. This list was compiled using information from owners and TICA show archive information.

## **Breed Report/Advancement Comments from Rules**

### **Breed Reports:**

#### Chausie

(AR) The report meets the requirements for the Rules Committee.

#### Highlander

(AR) The report appears complete.

(BT) Ok with the Highlander Report

#### Kurilian Bobtail

(AR) The report appears to meet requirements.

They are asking for immediate advancement to Championship, based on their statement that they are recognized in 3 other associations. I have not received any evidence that they have met the requirements for Transfer new Breed

(BT) Her report is ok - as to her demand for Championship Status....there is procedure to follow to ask to advance - 120 days in the Trend and documentation to send with the request. The show reports are all in EN Region.....I personally have never seen a Kurilian shown in the US other than the one Cheryl brought.

#### Savannah

(AR) The report appears complete

(BT) OK with the Savannah Report

#### Serengeti

(AR) This report meets the requirements of the rules committee.

(BT) Fine with me.

#### Toyger

(AR) The breeders appear to be continuing their serious efforts to perfect the breed.

(BT) It was nice to receive this report and know that they have met the requirements for the 3 years in Championship.

### **Advancement:**

Leopold – PNB

(AR) The standard meets the requirements of the Rules Committee.

(BT) Basically ok with this application – I did question the stripe down the nose as I felt it was a wild cat trait and not one that would be seen in a purely domestic breed.

Napoleon – PNB

(AR) The application meets the requirements for the Rules Committee.

(BT) I find this application in order

Donskoy – ANB

(AR) I have seen them in the show hall only twice. I think they need to do a lot more before they apply for advancement

(BT) While I understand that this breed was where the Peterbald came from and is Championship in WCF (not sure about other associations in Europe). I have a concern over advancing them at this time. We do not see them shown anywhere except Edmonton and Calgary in North America and the Breed Section Members all in one locale (NW) except one person in the NE.

(LS) I will agree with Bobbie on this one -- I don't know that I've ever actually seen one myself. I'll agree again, with Bobbie, and add that I have some concern regarding compliance with our rules as I believe this to be the same genetic mutation as the Peterbald, so I'm not really sure that it can qualify as a separate breed at all.

(AF) Although I know little about the Donskoy, I agree with Bobbie's opinion that the Donskoy should have more diverse representation.

**THE INTERNATIONAL CAT ASSOCIATION, INC.**  
ADVANCEMENT TO ADVANCED NEW BREED

33.6.1 Requirements. A Preliminary New Breed Class Breed may apply for Advanced New Breed status upon completion of the following:

33.6.1.1 At least 1 year has passed since the breed was first advanced to Preliminary New Breed Class Breed status.

**Date (meeting) advanced to PNB:** February 2006

33.6.1.2 At least 100 cats, which have attained the age of 8 months (at the time of application), are registered with TICA; of these, at least fifty (50) must either correspond to requirements for the assigned registration category for Championship or have a registration code such that the offspring could be eligible for Championship.

**List cats by name and registration number.**

33.6.1.6 Submission of Application for Acceptance as an Advanced New Breed Class to the Executive Office with an **electronic** copy to each member of the Genetics Committee and Rules Committee at least 120 days prior to the board meeting at which approval is sought, which includes the following:

33.6.1.7 A Letter of Intent to apply for approval as an Advanced New Breed Class Breed, signed by at least ten TICA members in good standing;

**Include a list of names, addresses, and membership numbers in the application packet.**

33.6.1.8 A proposed breed standard with permissible outcrosses, if any, ***approved by the Rules and Genetics Committees;***  
**Include as a separate document in the application packet.**

33.6.1.9 A proposed breeding program with any proposed changes;  
**Include outline of breeding program in the application packet.**

33.6.1.10 A processing fee of \$50;  
**Include copy of DAR in application packet.**

33.6.1.11 An indication that the breed is to be categorized as a Natural New Breed (Cat II), a Mutation New Breed (Cat III), a Domestic Hybrid New Breed (Cat IV) or a Non-domestic Species Hybrid New Breed (Cat V), with the rationale for the category. (Any breed may request to be classified as a Category I breed and may have no outcrosses.)

**List the proposed breed category:** Category I

**Rationale for category:** We need a wider gene pool so would like to keep the Domestic Cat for an out cross.

33.6.1.12. A Notice of Intent to Apply for Advancement to Advanced New Breed Class Status must be published in the TICA TREND at least 120 days prior to the meeting at which the application for advancement will be heard, and which invites comments about the breed to be forwarded to the Executive Office.

**Date submitted for publication in the TREND:** NOVEMBER 2009

**At the meeting of the Board where application is made:** \_\_\_\_\_

33.6.1.14 Make a formal presentation including photographs, illustrations, statistics, health and breeding reports, representatives of the breed and any other relevant material.

## Application for Advancement from Experimental New Breed to Registration Only New Breed

33.3.3 Advancement from Experimental New Breed to Registration Only New Breed. An Experimental New Breed may apply for approval of the Board of Directors as a Registration Only Breed upon completion of the following:

33.3.3.1 At least 1 year has passed since the initial registration of the breed in the Experimental Registry.

**Date of initial registration of the breed:**

33.3.3.2 At least 10 cats of the breed have been registered in the Experimental Registry.

**List cats by name and registration number.**

4 Sandee Probst MP Region
5
<p>33.3.3.5 Submission of an electronic Application for Advancement to Registration Only Breed 90 days prior to the Board meeting at which recognition is sought to each member of the Genetics Committee and each member of the Rules Committee. Following approval of the application by the Genetics Committee and Rules Committee, the application will be submitted by the Chair of the Rules Committee to the TICA Executive Office at least 60 days prior to the Board Meeting for inclusion in the agenda. Any comments of the Genetics Committee or Rules Committee must be included. (applications available from the TICA Executive Office or at ticaeo.com )</p>
<p>33.3.3.5.1 Application must include the following: (applications available from the TICA Executive Office or at ticaeo.com)</p> <ul style="list-style-type: none"> <li>• A brief description of the breed distinguishing it from other breeds recognized by the Association.</li> </ul> <p><b>Attach to application.</b></p> <ul style="list-style-type: none"> <li>• A proposed breed name that is unique:</li> <li>• A proposed two-letter registration code:</li> <li>• A proposed breeding program. <b>Attach to application.</b></li> <li>• A proposed designation of Breed Classification ( See RR 33.2):</li> <li>• A proposed provision Working Group Chair:</li> </ul>
<p>33.3.4 A Notice of Intent to Apply for Advancement to REGISTRATION ONLY Breed status must be published in the TICA TREND at least 120 days prior to the meeting at which the application for advancement will be heard, and which invites comments about the breed to be forwarded to the Executive Office.</p> <p><b>Date submitted for publication in the TREND:</b></p>
<p>FOR INFORMATION ONLY:</p> <p>33.3.5 Upon official acceptance by the Board of Directors as a Registration Only Breed, cats will be registered in the Stud Book or Foundation Registry. (See 36.2, 36.3, 36.4, 36.5, 36.6) The approved two-letter registration prefix will be used (without EX).</p> <p>33.3.6 It is understood that acceptance for advancement to Registration Only implies only that TICA agrees to provide registration facilities for development of the breed in question. There is no explicit or implied guarantee that TICA will accept the breed for championship either simultaneously or at any time in the future.</p>

**CATEGORY:** Traditional.

**DIVISIONS:** Silver/Smoke

**COLOR/PATTERN:** Black Silver Tabby, Spotted Pattern ONLY.

**Permissible Outcrosses:** American Shorthair, Bengal, Maine Coon, Siberian, Domestic longhair/shorthair (not a member of a recognized breed)

## HEAD:

Shape: Overall impression is that of a symmetrical trapezoid with the upper portion being round. Comparatively small for its body size. Distinctive prominent heavy brow. Jowls are prominent and round.

Ears: Small and set slightly off to the side. Wide at the base with rounded tips. Significant ear furnishings. Ear tufts are not desirable. Ocelli are desirable.

Eyes: Top of the eye is flat, and may appear to be hooded. Small in relationship to the rest of the face, and in line with the "stop" formed where the bridge of the nose meets the brow. Bottom of eye has an almond shape. Set

moderately deep, under a prominent brow, and one and a half to two eye widths apart. Tear stain markings may be present along and between the eye and the nose. Eye color independent of coat color.

Chin: Frontal view is very pronounced, especially in proportion to the whisker pads. In profile, the chin is very deep and almost bulbous in appearance, forming a straight line from the tip of the nose to the bottom of the chin, perpendicular to the floor.

Muzzle: Elongated and tapered with a definite lack of protruding whisker pads.

Profile: Straight from the tip of the nose to the "stop", where the nasal bone meets the brow. Stop aids in the appearance of a prominent brow. Forehead appears flat from the top of the stop to the inside edge of the ears.

Nose: Viewing from the front, the nose is almost as wide as the distance between the eyes, and is rounded across the top.

Neck: Short and thick. Muscular and well toned.

## BODY:

Torso: Long in relationship to the legs, with a full deep rib cage and muscular shoulders. Although slightly narrowing in the midsection, the haunches should be almost equal in musculature to the shoulders. The hip and thigh are full and muscular and somewhat heavy in proportion to the rest of the body.

Legs: Powerful and relatively short, in relationship to the rest of the body, with moderately heavy boning and large paws.

Feet: Large and rounded, with elongated toes. The bottoms of the paws are covered with fur. The paws are proportionately large, with the front paws larger than the rear.

Tail: Extreme length and thickness, reaching the floor when standing and extending well beyond the hind legs, and tapering only very slightly

with a blunt end; very articulated and expressive. Exceptionally long and thickly furred, when compared to other breeds, and often equals the length of the body. The thickness and length of the tail appear to increase its overall usefulness in maintaining balance,

Boning: Moderately heavy boning.

Musculature: Firm, and very well-developed.

### **COAT/COLOR/PATTERN:**

Coat: Coat is semi-longhaired, medium to medium long in length with a thick, plush feel to it. Should have substance and texture, not be fine and silky. Coarser guard hairs cover a softer undercoat. Does not lie flat against the body.

Color: Bold dark markings with good contrast should extend all the way to the toes. Background coloration varies from white to pale gray or light cream/pale yellow to a light brownish-gray. Chest and belly should be almost white. Tarnishing is allowed on the muzzle, legs, shoulders, flanks, and feet. In any variation the lips are black, as are the black tear duct lines on the inner sides of each eye. Black mascara and white spectacles preferred.

Nose leather can be either brick red, solid black or black with a light red or pink line running down the center. Paw pads should be deep charcoal black.

Pattern: Bold, dark-brown to black spots with large rosettes preferred. Solid dark brown to charcoal-gray to black spots and/or striped markings occur on the face, neck and legs. The solid spots on the face blend into open rosettes or irregular circles, with darker grey and/or spotted centers, on the flanks and back and/or mackerel striping on the ribs and bars on the legs. The arrangement of the markings along the back area often results in two to three rows of elongated stripes, spots and/or rings, parallel to the backbone, running to the base of the tail. Rosettes continue down the tail to end in thick solid dorsal bars on the dorsal part of the last third of its length. The preferred pattern is a cat covered with ringed spots

of black or dark brown. Some mackerel striping is allowed in the form of rib bars and/or leg bars. Strikingly different in appearance from the other spotted breeds.

**GENERAL DESCRIPTION:** The overall impression of the Leopold is a large bodied, but graceful cat with striking, large, dark spots and/or other bold markings on a silver background. The cat should be large, with a long muscular body, wide neck, large boned legs and small ears, as well as an extreme length of tail which is the hallmark characteristic of the breed. The Leopold must have a striking color and pattern that sets it apart from any other breed. The Leopold must be affectionate and outgoing. Its temperament is confident, alert, curious and friendly.

**ALLOWANCES:** Females may be somewhat smaller and less muscular than males and may exhibit little to no head ruff. Well muscled males may lack shoulder to neck definition. Color may vary somewhat in intensity.

**PENALIZE:** Spots that are any color other than dark brown to black. Any distinct locket on the neck, chest, abdomen or any other area not provided for in the standard. Large ears. Short tail. Fine boning.

Temperament must be unchallenging; any sign of definite challenge shall disqualify. The cat may exhibit fear, seek to flee, or generally complain aloud but may not threaten to harm." Evidence of intent to deceive the judge by artificial means, cats with all or part of their tail missing (except those breeds whose standard calls for this feature), totally blind cats, cats having more or less than five toes on each front foot and four on each back foot (unless proved to be the result of an injury or as authorized by a Board approved standard), male cats in the adult championship class which do not have two descended testicles, and, at the discretion of the judge, tail faults (visible or invisible) and/or crossed eyes shall be disqualified from championship competition. See Show Rules, ARTICLE SIXTEEN for comprehensive rules governing penalties/disqualifications applying to all breeds.
