Proposal 8: Amend 22.4.2 etc (Show Licences)

Rationale:

Currently there are many rules that clubs need to comply with (number of rings, number of cats, number of times a judge can judge during a show weekend) but the rules also demand that any club submitting a show application and paying the insurance fee (if required) is granted a show licence no matter what is on that show licence. So a club can advertise a show that is not compliant with the rules and still get a licence for it.

Many show managers think that being granted a licence means that their show is "okay" when it is not. This proposal would allow development of a proper process to check the materials submitted and not licence shows that clearly would be in violation of TICA rules.

Pros:

This rule change makes it clear what it takes to obtain a valid show license and insurance (if required.)

Defines what happens if clubs do not submit a valid show application

Cons:

May involve additional work for the EO in processing refusals or refunds

Amend Show Rule 22.4.2:

22.4.2 A show license shall be issued upon the following requirements having been met:
>22.4.2.1 A completed show application has been submitted, listing the total number of rings, type of rings (AB, SP, HHP and/or congress);
>22.4.2.2 The club applying for the show license is in good standing;
>22.4.2.3 The application is accompanied by the insurance fee, or that fee has been waived.
>**22.4.2.4 The date of the show was approved by the club's Regional Director, or proof that the request was made and no response received within 30 days**
>**22.4.2.5 A show flyer has been submitted**

Add New Show Rules 22.4.3 and 22.4.4

22.4.3 A club may be denied a show licence if any information on the application or on the flyer is in violation of TICA rules.

22.4.4 If a club was denied a show licence pursuant to 22.4.3 the club may choose to either re-apply with corrected information and flyer or to request a refund of any fees already paid for that licence.

Renumber existing Show Rules 22.4.3 and 22.4.4 as 24.4.5 and 22.4.6 respectively. Renumber Standing Rule 202.4.3 as 202.4.5
