The International Cat Association, Inc.

Business Plan

PREFACE

to By-Laws, Registration Rules, Show Rules, Standing Rules, Uniform Color Descriptions and Standards

The By-Laws take precedence over ALL other Rules, followed by the Registration Rules, Show Rules, Standing Rules, and Uniform Color Descriptions, in that order. The Registration Rules, Show Rules, Standing Rules, and Uniform Color Descriptions shall take precedence over any individual Breed Standard UNLESS that Standard is MORE restrictive than the general rules applying to ALL breeds, in which case the Standard shall take precedence.

TICA Business Plan

The “**Vision**” of The International Cat Association, Inc. (TICA) is:

To be the cat fancier’s choice for registration, exhibition, comradery, and guidance on feline care and welfare and genetically sound, responsible breeding.”

The “**Mission**” of the International Cat Association (TICA) is:

- To be the most accurate and comprehensive feline registry in the world.
- To encourage and sanction cat shows that are both enjoyable and educational.
- To promote comradery among cat fanciers worldwide.
- To encourage the caring, responsible ownership of cats and the responsible breeding of pedigree cats.

The “**Values**” of TICA are that it will:

- Respect, honor, and promote the welfare of all cats.
- Maintain an accurate and comprehensive genetic registry.
- Foster comradery and good sportsmanship.
- Provide friendly, efficient customer service.

The essence of TICA is captured in its ***Motto***:

“TICA for fabulous felines, fun and friendships!”

History. The International Cat Association was organized in the summer of 1979. The first Annual Board of Directors' Meeting was held in August, 1979, in Atlanta, Georgia and the first Annual International Convention and Awards Banquet was held in Pasadena, California, on Labor Day weekend in 1980.

TICA's unique genetically-based registry has encouraged world-wide participation and is the largest genetic registry in the world. What started on a trial basis has become another hallmark of TICA. The organization follows a judging format which eliminates any reference to status, title or identification of the show entries. With enthusiastic acceptance by exhibitors, the Board of Directors approved an unprecedented process whereby cats are judged purely on their merits at the time of judging.

TICA's oldest chartered club is the Commencement Cat Club, founded in Olympia, Washington on July 30, 1979. TICA became truly "international" in September of 1979 when the All Japan Cat Club was chartered. TICA clubs include charters in Argentina, Austria, Australia, Belgium, Brazil, Canada, France, Germany, Iceland, Japan, Malta, Mexico, the Netherlands, Peru, the Philippines, Puerto Rico, Russia, Switzerland, and the United States.

Structure. TICA is guided by a Board of Directors, comprised of a President, Vice President, and Regional Directors. The officers and directors are elected for three-year terms by the TICA general membership.

The President is the Chief Executive Officer and official spokesperson for the Association and is authorized to take any action on behalf of the Association necessary to conduct the day-to-day operations of the Association. Authority to enter into contracts or file lawsuits is given to the President only by specific approval of the Board. The President presides at the Annual Convention and all other meetings of the membership and the Board of Directors.

The Board of Directors is charged with the administration of the affairs of the Association and with policy formulation and implementation. Any proposed changes to the Show Rules, By-Laws and/or Registration Rules must be submitted by the Board to the membership for a vote of ratification or denial.

TICA members are represented by Regional Directors. TICA currently has 13 regions which are: South America, Northern Europe, Southern Europe, Asia, Great Lakes, Great Plains, Northeast, Mid Atlantic, Mid Pacific, Northwest, South Central, South East, South West. An Associate Director has been appointed to help develop Australia and New Zealand.

Responsibilities of the Regional Directors include scheduling shows for the regions, promoting Regional Awards, promoting judging schools and seminars in conjunction with shows, recruiting new clubs and members, and the dissemination of information to the clubs in their regions.

The Board of Directors employs a Business Manager/Executive Secretary, who may also be Treasurer, to manage the business affairs of the Association. The Business Manager serves in an advisory capacity to the Board and is not a voting member.

The Board of Directors appoints the Judging Administrator and has also created standing committees to serve in an advisory capacity to various functions of the Association. These standing committees are the following:

- Computerization Committee
- Feline Welfare Committee
- Finance Committee
- Genetics Committee
- Governance Committee
- Household Pet Committee
- International Development Committee
- Legal Committee
- Legislative Committee
- Marketing Committee
- Publications Committee
- Rescue Committee
- Rules Committee
- TIFS Junior Achiever Committee

Board Governance Policy.

Accountability. The Board understands that its duty is to see that the organization acts in the best interests of the members whom it serves, including the cat fancy, in general. Board members bring perspectives and knowledge from outside endeavors, different geographical areas and diverse cultures. Although Regional Directors represent single regions and consider the perspective of those specific regions, they must also consider the best interests of TICA as a whole, as well as the cat fancy in general. Directors do not represent single constituencies. The Board acts with diligence and objectivity on behalf of the members as a whole.

Responsibility. The Board focuses its work on major responsibilities:

- Defining the ends, policies, and goals of the organization, beginning with the mission, vision, and strategic plan

- Making and supporting decisions that advance the ends

- Monitoring organizational performance and exercise accountability for results, especially in the areas of mission effectiveness, financial stewardship, strategic direction, and customer service

- Taking responsibility for the Board's own effectiveness

Exemplary Conduct. Exhibit trust and respect toward colleagues and management, honor the confidentiality of sensitive information, and be aware of and disclose any (or potential) conflicts of interest.

Mission-Driven. Board work is designed to enhance the mission, vision, values and strategic direction of the organization.

Value-Added Work. The Board focuses its meetings and other work on activities that add value for the organization, with an emphasis on high-level, strategic matters and critical issues affecting the future of the organization and the cat fancy.

Membership. Membership in TICA supports:

- The maintenance of a cat and cattery registry.

- A recognition system which includes the development and maintenance of breed standards, show licensing, granting of titles and awards.

- Training and certification of judges.

- Training and certification of show clerks.

- Information networks for breeders and fanciers to enhance their knowledge of the responsible care of felines.

Who may join? Membership shall be open to any individual person who is interested in owning, breeding or exhibiting domesticated cats.

Members are divided into classes, as follows:

Regular Member - Those members 18 years of age or older who have paid the regular membership fee. Regular members are eligible to vote and to receive all rights, privileges and honors accorded.

Family Member - Additional members of a regular member's family, over the age of 18 years, who pay family membership dues. Family members have the same rights and privileges as regular members. Only one family member per regular member may vote.

International Member - Those members 18 years of age or older who have paid the international membership fee. International members are eligible to vote and to receive all rights, privileges and honors accorded.

International Family Member. Additional members of an International member's family, over the age of 18, who pay international family membership dues. Family members have the same rights/privileges as International members, excluding a TICA TREND subscription. One additional family member per international member may vote.

Junior Member - Those members under 18 years of age who pay junior membership dues. Junior members have the same rights and privileges as regular members except the right to vote and hold office.

Life Member - Those members who pay the life membership fee. Life members have the same rights and privileges as regular members.

Schedule of the membership dues, payable the first of May for the ensuing year:

Regular Member	\$25	International Family Member	\$15
Family Member	\$10	International Junior Member	\$15
Junior Member	\$10	International Regular-5 year	\$135
Regular Member-5 year	\$110	Life Member	\$1,000
International Member	\$30		

What are the benefits? Membership, first and foremost, gives an individual the right to vote. A distinguishing feature of TICA is the fact that individual members may vote on issues, directly, not through club representation. Membership also includes the right to belong to a breed section of choice.

Members receive a complimentary subscription to the TICA Trend, the official bi-monthly magazine of the Association which contains the following:

- Quarterly financial report and annual audit report of the Association
- Regional Awards (Aug/Sep)
- International Awards (Oct/Nov)
- Candidate Election Statements (Oct/Nov)
- Hall of Fame, TICA Treasure, Lifetime Achievement
- Judge of the Year/Member of the Year Ballots
- Annual Service Awards
- Membership Ballot Results
- Photos of Applicants to the Judging Program
- Notices of Intent - Breed/Trait Advancements
- Officer's Reports
- Recall Petitions/Rebuttals
- Initiative and Referendums/Rebuttals
- Five-year chart showing membership numbers by region (Feb/Mar)

Membership is not required to register cats, attend shows, achieve titles, win awards, or belong to a club. New members must complete the application for which includes an agreement to abide by the rules and regulations of the Association, pay the required fee for membership dues and have at least one cat or a cattery name registered with TICA. A member's region of record is the region where the member resides.

TICA membership by region:

Note: South America and International are eliminated in this computation.

Customer and Market Analysis. TICA's customers are the individuals - *breeders and fanciers* - in the cat fancy who seek the services and support provided by the Association. Potential customers are animal lovers who are interested in and care about the welfare of cats.

While potential markets for TICA's services might be reflected in the memberships of other cat fancier and registry organizations, another potential market for TICA's services might be reflected by the circulation of the primary cat magazine, CAT FANCY. Junior exhibitors and alliances with animal welfare and rescue groups may also be market potentials.

Key Success Indicators. The following are the *key success indicators* that the organization chooses to track as indicative of its success in fulfilling its **Vision** and **Mission**:

*Growth in the number of cats exhibited in TICA shows.

Region	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006

*Growth in registrations

Key Business Strategies.

Maintain the genetic-based registry.

Register Household Pets; recognize and honor them on an equal basis with pedigreed cats.

Maintain unique show format. (Judging without known titles, friendly show atmosphere)

Membership entitles an individual vote.

Integrate business processes in order to deliver timely and professional customer service.

Support the development of new clubs in order to increase the number of show opportunities for current members and as a way to encourage more interest in the cat fancy.

Preserve and expand the cat fancy through strategic alliances.

Deliver a quality recognition program.

Expand TICA's international presence.

Operations. TICA operates through a paid staff located in the Executive Office in Harlingen, Texas. The President and remaining members of the Board of Directors are volunteers which are partially reimbursed for their expenses in holding office. Additional volunteers staff various appointed positions and standing committees. Members of the Board of Directors serve as liaisons to the standing committees.

Objectives of The International Cat Association, as stated in its By-Laws, are:

The registration of the pedigrees of all breeds of felines and catteries;

The promulgation of rules governing the management of the Association and cat shows sanctioned by the Association;

The licensing of cat shows held under the auspices of the Association;

The establishment of comprehensive Standards for all breeds of domesticated cats;

The honoring of outstanding felines, their owners and breeders for their accomplishments;

The dissemination of information to promote the knowledge and interest of breeders, owners, exhibitors and the general public concerning the breeding, exhibition and improvement of breeds, and the care and welfare of all cats; and,

The promotion of educational and friendly relations between cat owners in this country and all other countries of the world.

Major Business Processes. The following business processes of the Association support the accomplishment of the above objectives and attempt to organize, categorize and define its "business" and support functions.

Membership Process. TICA is a membership organization, totally dependent on sales of memberships and services to provide sufficient resources to maintain its operations. Members provide input into the governance of the organization and into such critical activities as establishing breed standards, registration rules, and show rules. The primary communication medium for the organization is its official magazine, The TICA Trend.

Purpose. To attract and retain members by providing quality service and those services and benefits desired by the members.

The TICA TREND.

Purpose. Provide a communication medium to members of upcoming show information, information useful to breeders and fanciers which may enhance the welfare of cats, information relative to the governance of the organization, and a means to recognize cats who deserve recognition for their accomplishments. The TREND is available to non-members on a subscription basis.

Registration Process. TICA's primary business activity is as a registry of cats. One of the Association's unique features is its genetic-based registry, which allows significant freedom to recognize new breeds and colors as they are discovered and developed.

Purpose. To create and maintain breed standards and track/certify the pedigrees of cats presented to the Association for registration. Historical data on registration activity within the major classes of registration are attached.

Breed Standards.

Purpose. Maintain a uniform system of rules whereby new breeds and colors are considered and approved for registry and competition. Administer a system of breed committees which advise the Board of Directors of the necessity of changes to existing breed standards.

Breeder Services.

Purpose. To provide additional services in support of breeders and fanciers.

Awards Process. TICA maintains a system of competition, centered around points earned by cats at local cat shows. The Association sanctions local clubs and their shows. The clubs are financially responsible for their shows.

There are three ways a cat may officially receive acknowledgment for its accomplishments:

- Titles
- Regional Awards
- International Awards

A significant number of TICA's business processes are designed to support this activity including maintenance of show rules, providing supporting show supplies and insurance, tracking wins for titles, scoring shows for regional and international wins, supporting regional and international awards ceremonies, and providing a yearbook to recognize and honor the winners.

Purpose. The Awards Process was established to provide a venue for both breeders and fanciers to compete for titles and awards for their cats, thereby fostering the development and maintenance of breed standards and creating an environment for social and informational exchange.

Clubs.

Purpose. Clubs provide the avenue for TICA to conduct an awards program, to generate interest in the cat fancy and cultivate friendship among fanciers and breeders.

The current number of chartered clubs is as follows:

1995	1996	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006
433	456	470	488	502	522	537	552	572	588	610	632

Shows.

Purpose. Shows, which are sponsored by individual TICA chartered clubs, are the means by which the awards program is carried out. Shows provide the setting for exhibitors to compete for awards and titles. Without shows, there would be no awards program. Shows, additionally, foster an interaction with cat fanciers which encourages interest in the cat fancy and provides a social setting.

Scoring.

Purpose. The Scoring process is necessary to provide a framework by which competition is measured and to reliably, systematically, and timely record scores generated by cats in competition so that cats and breeders can be honored by annual and regional awards.

Recognition - Titles and Awards.

Purpose. To provide a three-tiered approach to recognizing the accomplishments of breeders and fanciers through the granting of titles and the awarding of Regional and International Awards and thereby, again, fostering the interest in the cat fancy.

The TICA Yearbook.

Purpose. TICA's flagship publication giving tribute to our organization.

Judging/Clerking Administration.

Purpose. The Judging/Clerking Administration purpose is to provide qualified judges and clerks to support the awards program.

Business Operations.

Purpose. To carry out the day-to-day business of the Association in an efficient and effective manner.

Goals for next year

Strategic goals

- 1 - Set up a program to encourage household pet registrations by rebating to qualified 501(c)(3) organizations \$1 of each new registration they are responsible for.
- 2 - Pursue a partnership with a major corporate sponsor in order to promote TICA, shows and showing.
- 3 - Pursue the possibility of TICA hosting a Madison Square Gardens cat show as a marketing and educational tool.
- 4 - Review and approve an E-Business strategic plan at the 2005 Annual Meeting in order to provide quick and convenient service to our customers.

- 5 - Ebiz Committee to develop and implement an Ebiz application before the beginning of the next show season.
- 6 - Study the possibility of and benefits to seeking tax exempt status.
- 7 - To address the concern of the “graying of the cat fancy”, the President was asked to appoint a committee to look into combining the current junior exhibitor program with TIFS Junior Achievers program and report back to the Board with a recommendation by the Annual
- 8 - The Board believes that TICA should be more active in feline welfare and feline rescue activities. The President was asked to create and appoint members to a TICA Feline Rescue Committee. The Feline Welfare Committee should be reconstituted. Both committees are to draft charters and report to the Board at the Annual. The President was also asked to appoint a TICA member to the Joint Purebred Rescue Board of Directors.

Operational goals

- 1 - Increase TREND advertising revenues to offset increase in production and mailing costs.
- 2 - Complete and implement a new Executive Office automated scoring system.
- 3 - Continue to improve the quality of the Yearbook.
- 4 - In order to better coordinate shows throughout the regions, the Directors will establish and use a “Groups” calendar function to list and track shows in the regions.
- 5 - In order to ensure that the committee system is functioning effectively, the Board referred to Rules the following tasks:
 - draft purpose of the Board Liaison to committees
 - draft definition of the role of the Chairs of the committees
 - with the change from International to International Development Committee, draft amended committee charter and focus
 - define roles of the Legislative and Feline Welfare Committees
