Future Meetings

<u>Year</u>	<u>Meeting</u>	<u>Club/EO</u>	<u>City/State</u>	<u>Date of Meeting</u>
2011	Winter		Harlingen, TX	01/21-23/11
2011	Spring		Electronic Meeting	05/20-22/11
2011	Annual	MA	Philadelphia, PA	08/31-09/11
2012	Winter		Harlingen, TX	01/27-29/12
2012	Spring		Electronic Meeting	05/18-20/12
2012	Annual	GL	Columbus, OH	08/29-31/12
2013	Annual	NW	Bellevue, WA	08/20-31/13

109.1 Annual Convention.

109.1.1 Annual Convention. Labor Day weekend each year is reserved for the Annual Convention. No other shows may be held the weekend of the Annual Convention with the following exception. A club may receive permission to hold a show on the Annual weekend upon application to the Board. Application must state specific reasons for the request for exemption and why such a show would have no impact on the Annual.

109.1.1.1 The rotation for the Annual Conventions shall be: Mid Atlantic - 2011, Great Lakes - 2012, Northwest -2013, Northeast - 2014, International - 2015, Southwest - 2016, South Central - 2017, Southeast - 2018, Mid Pacific - 2019.

109.1.1.2 Proposals to host the Annual Convention in the designated region must be received for the Annual Meeting 3 years prior to the proposed convention.

109.1.1.3 In the event no club submits an acceptable proposal, any club in any region may submit a proposal to host the Annual Convention by the agenda deadline for the Semi-Annual Meeting 2½ years prior to the convention and a notice soliciting such proposals shall be published in the TICA TREND.

109.1.1.4 The subsequent designated order of rotation will remain the same.

109.2 Meetings of the Board.

109.2.1 All Board Meetings shall be scheduled for a minimum of 2 days.

109.2.1.1 Meetings of the Board shall be the fourth full weekend in January (Winter Meeting), the third full weekend in May (Spring Meeting) and the week immediately preceding Labor Day weekend (TICA Annual).

109.2.1.2 The Winter Meeting shall be held in Harlingen TX without a show OR at a location outside the United States in conjunction with a show, approved by the Board.

109.2.1.3 The Spring Meeting shall be held in the United States, rotating from Central to West to East, with or without a show. The meeting venue must be at or near a major international airport at a hotel with adequate meeting space, full restaurant service and airport shuttle.

109.2.1.4 The Winter and Spring meeting locations shall be selected by the Board without consideration of accompanying show.

109.2.1.5 Minutes of all meetings of the Board of Directors shall be completed within 10 working days following the meeting.

FOLLOW-UP REPORT

NO.	ITEM	RESPONSIBILITY	STATUS
1	Move remaining fees to the Standing Rules, By-Law, recall and 116.1 petition.	Rules	W11 Agenda
2	Evaluate the Outstanding Cattery Program	Fisher/EO	W11 Agenda
3	Research online voting and the rules concerning voting	EO/Rules	2010 Ballot
4	Revision of Show Rule 22.1.2 (Francine Hicks) back to Committee: 22.1.2.1 The Regional Director may not deny a club a specific show date unless there is a previously scheduled TICA show within 500 miles or 805 kilometers or in the same region on the requested weekend. Show locations for the same show weekend may be held within 500 miles or 805 kilometers of each other only with written permission from both show managers and the permission of the regional director/directors. The first club that requests a show date is authorized to have the show. Consider two rules: one addressing in Region shows and the other shows in neighboring regions.	Rules	2010 Ballot
5	Add the following as suggestions rather than requirements: 903.1.3.8 All hotel rooms must be accessible by elevator. 903.1.6.10 Adjacent events must be arranged so that sound from those events does not interfere with speeches or other presentations. This term should be included in the contract for the banquet facility.	Rules	Completed
6	Consider a rule which would prohibit two TICA clubs from holding a show and an exhibition on the same weekend and in the same city. Alternatively, consider a rule to restrict the use of the TICA logo for a non-show event in such a case.	Rules/Arrieta	Denied
7	Look into putting out for bid the printing of the TICA yearbook with a report for the 2011 Winter Meeting.	Dickie/Crockett	W11 Agenda
8	Schedule a discussion on TICA's role in contractual issues between breeders and buyers	Fisher/Schiff	Completed
9	Defer action on the Ichikawa v Tsuruoka complaint until the Annual in order to clarify whether there was a violation of show rules.	Schiff	Completed
10	Change Show Rule 24.4 to make clear the required communication by a club to a debtor	Rules	A10 Agenda
11	Blueslips on line	EO-Report	W11
12	Program prefixes and genetics into registration program	EO-Report	W11
13	Provisions for putting a statement on the certificate of registration.	Rules	W11
14	Report on percentage of work from members and non-members	EO	W11
15	Comparison of fees between associations	EO	W11
16	Report on research number of cattery names which have not been used more than 10 times and those that have not been used for more than 10 years	EO	W11
17	Reconsider revisions to the Judging Program	JA	W11
18	Send the breed sections for the Minskin and Sokoki breeds a letter that their respective breed reports were not received and the Board is inclined to set their breed back to Registration Only. Ask them to provide a breed report 60 days prior to the 2011 Winter Meeting	EO	Completed
19	Check on security of transactions (electronic) in the future, i.e. no original documents.	Schiff	W11

INDEPENDENT AUDITORS' REPORT

Board of Directors
The International Cat Association, Inc.

We have audited the accompanying statements of financial position of The International Cat Association, Inc. as of June 30, 2010 and 2009, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The International Cat Association, Inc.'s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The International Cat Association, Inc. as of June 30, 2010 and 2009, and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

The International Cat Association, Inc.
NOTES TO FINANCIAL STATEMENTS
June 30, 2010 and 2009

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

The International Cat Association, Inc. (known as "TICA") was incorporated October 25, 1982 under the Texas Non-Profit Corporation Act, with its primary purpose being the promotion and dissemination of educational and scientific information on felines to the general public. The Board of Directors, comprised of a President and Vice-President, and Regional Directors, oversees the activities of the Association.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The Association is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as unrestricted contributions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. No activity was temporarily or permanently restricted during the years ended June 30, 2010 and 2009.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentrations of Risk

Concentrations of Risk Due to Temporary Cash Investments and Trade Accounts Receivable

Financial instruments that potentially subject the Association to concentrations of risk consist principally of temporary cash investments and trade accounts receivable. The Association places its temporary cash investments with financial institutions and limits the amount of credit exposure to any one financial institution. Concentrations of credit risk with respect to trade accounts receivable are limited due to the large number of members comprising the Association's membership and their dispersion across different geographic areas.

The International Cat Association, Inc.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
June 30, 2010 and 2009

NOTE A - SIGNIFICANT ACCOUNTING POLICIES - Continued

Concentration of Risk Arising from Cash Deposits in Excess of Insured Limits

The Association maintains cash balances with high quality credit institutions. At times such cash and investments may be in excess of the FDIC insurance limit.

Income Taxes

For all periods presented, income taxes are calculated using the liability method in accordance with the provisions set forth in generally accepted accounting standards. Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is the tax payable or refundable for the period plus or minus that change during the period in deferred tax assets and liabilities.

Inventories

Inventories of supplies for resale as of June 30, 2010 and 2009, is stated at principally the lower of cost or market. Cost is determined on the first-in, first-out basis.

Property, Plant and Equipment

Property, plant and equipment acquisitions have consistently been recorded at cost if purchased or fair value at date of gift if donated. Major renewals and improvements which extend the life of an asset or benefit one or more subsequent periods are capitalized. Replacements, maintenance, and repairs which do not extend or improve the life of existing assets are charged against income in the period incurred. When properties or equipment are retired or otherwise disposed of, the property and related accumulated depreciation accounts are relieved of the applicable amounts. Gains or losses from normal retirements or sales are credited or charged to income.

Depreciation

Equipment and furniture are being depreciated using the straight-line method over their estimated useful lives, ranging from 3 to 10 years. Depreciation expense totaled \$29,920 and \$33,116 for the years ended June 30, 2010 and 2009.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Association considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

Certificates of Deposit

Certificates of deposit, totaling \$169,336 and \$167,467 at June 30, 2010 and 2009, are presented on a separate line on the accompanying financial statements. The certificates bear interest ranging from 3.11% to 3.75% and have maturities ranging from three months to one year, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

The International Cat Association, Inc.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
June 30, 2010 and 2009

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Non-Profit Status

The Association has adopted the policy that no member shall personally profit from the operations of the Association except for reasonable compensation for services actually rendered by officers and employees of the Association.

Prepaid Expenses

Prepaid expenses are advance payments for products or services that will be used in operations at some future period.

Credit Memos

Credit memos are generated when customers overpay for services or remit payment for registrations that are pending approval or required documentation. The credits are reduced when customers are refunded or once required documentation is received and the registration is granted.

NOTE B - NOTES PAYABLE

The notes payable are related to capital leases. The notes are payable to Pitney Bowes, Inc. and the implied interest rate on both notes is 7%. See Note C relating to the capital leases.

NOTE C - CAPITAL LEASES

As of September 7, 2005, TICA entered into a seventy-two month lease with Pitney Bowes, Inc. for a folding machine. The lease has been classified as a capital lease because the lease term exceeds 75% of the estimated economic life of the assets. Therefore, the present value of the monthly lease payments has been capitalized as a fixed asset with an associated note payable. The implied interest rate is 7%. The monthly payments on the lease are \$655.

As of June 23, 2005, TICA entered into a sixty-nine month lease with Pitney Bowes, Inc. for a postage machine. The lease has been classified as a capital lease because the lease term exceeds 75% of the estimated economic life of the asset. Therefore, the present value of the monthly lease payments has been capitalized as a fixed asset with an associated note payable. The implied interest rate is 7%. The monthly payments on the lease are \$675.

The following is a schedule by years of future minimum payments required under the lease agreements as of June 30, 2010:

Year Ending June 30:	
2011	\$13,977
2012	<u>1,943</u>
	<u>\$15,920</u>

The International Cat Association, Inc.
NOTES TO FINANCIAL STATEMENTS - CONTINUED
 June 30, 2010 and 2009

NOTE D - EMPLOYEE BENEFIT PLAN

TICA has a defined contribution retirement plan covering all employees who have worked there longer than one year. Under the plan, TICA will match an employee's salary deferral contributions up to a maximum of 3% of the employee's compensation. Under the Internal Revenue Code, the plan is referred to as a Savings Incentive Match Plan for Employees.

NOTE E - FEDERAL INCOME TAXES AND DEFERRED INCOME TAXES

As discussed in Note A, the Association was organized and incorporated under the Texas Non-Profit Corporation Act and filed an application for exempt status. The Association had originally intended to be exempt from federal income taxes under the provisions of Section 501(c)(6) of the Internal Revenue Code. However, the application originally submitted to the Internal Revenue Service in 1993 for consideration as a not-for-profit, exempt organization under Section 501(c)(6) of the Internal Revenue Code was denied. As a result, TICA has filed federal income tax returns as a for-profit corporation with applicable provisions made for federal income taxes. Deferred income taxes are computed by applying statutory rates to temporary differences between the recognition of income and expense for financial statements and income tax return purposes based upon the expected period in which the differences will reverse. The principal difference arises from the use of different methods of depreciation for financial reporting and tax return purposes. The provision for federal income taxes is computed on pre-tax accounting income at statutory rates.

Federal and state income taxes for the fiscal year ended June 30 consisted of the following:

	<u>2010</u>	<u>2009</u>
Current		
Federal	\$12,762	\$ -
State	<u>6,512</u>	<u>5,928</u>
	19,274	5,928
Deferred		
Federal	<u>7,127</u>	<u>(21,091)</u>
Provision (benefit) for income taxes	<u>\$26,401</u>	<u>\$(15,163)</u>

The components of the deferred tax as of June 30 are as follows:

	<u>2010</u>	<u>2009</u>
Deferred tax liability		
Depreciation	\$ <u>8,150</u>	\$ <u>8,606</u>
Deferred tax asset		
Net operating loss carryforward	\$ <u>-</u>	<u>\$19,520</u>

NOTE F - SUBSEQUENT EVENTS

For purposes of reporting subsequent events, management has considered events occurring up to November 10, 2010; the date the report was available to be issued and the date the report was issued.

Notes:

- A CFA does not require individual membership
- B Individuals do not become members of GCCF, but registration means that they agree to be bound by GCCF Rules
In the UK, FIFe membership fees vary between constituent clubs. Denmark and Germany have a single membership fee
TICA's international Incentive reduces this to \$25 if accompanied by at least 5 cats registered elsewhere and being imported into TICA
- C TICA's international Incentive reduces this to \$25 if accompanied by at least 5 cats registered elsewhere and being imported into TICA
- D CFA requires a renewal fee paid every 5 years, ANC (Australia) also every 5 years with a lifetime fee of 200AUD (\$194)
- E CFA and Felis Danica require both Sire and Dam to be registered with them. Other FIFe clubs are more accommodating
- F A FIFe Registration document automatically includes a 4 generation certified pedigree
- G FIFe registrations are carried out by the individual FIFe members - there is no central pedigree registry
- H Felis Britannica fees depend upon the individual member clubs, they are not set centrally
- J German clubs (FIFe and WCF) charge a fine of 3 to 4 Euros per week per litter for late registration of kittens after 4 (or 8) weeks old
- K CFA rewards prompt application of registration documents (e.g. Early Bird Transfer within 30 days is \$10)

Notes:

- A CFA does not require individual membership
- B Individuals do not become members of GCCF, but registration means that they agree to be bound by GCCF Rules
- C In the UK, FIFe membership fees vary between constituent clubs. Denmark and Germany have a single membership fee
- D TICA's international Incentive reduces this to \$25 if accompanied by at least 5 cats registered elsewhere
- E CFA requires a renewal fee paid every 5 years, ANC (Australia) also every 5 years with a lifetime fee of 200AUD (\$194)
- F CFA and Felis Danica require both Sire and Dam to be registered with them. Other FIFe clubs are more accommodating
- G A FIFe Registration document automatically includes a 4 generation certified pedigree
- H FIFe registrations are carried out by the individual FIFe members - there is no central pedigree registry
- I Felis Britannica fees depend upon the individual member clubs, they are not set centrally
- J German clubs (FIFe and WCF) charge a fine of 3 to 4 Euros per week per litter for late registration of kittens after 4 (or 8) weeks old
- K CFA rewards prompt application of registration documents (e.g. Early Bird Transfer within 30 days is \$10)

Amend Standing Rules 1019.2, 1019.2.1 & 1019.2.2 (V. Fisher)
11/28/2010

1019.2 The following shall be included in every issue of the TICA TREND:

~~Names, addresses, phone numbers and email addresses of Board Members, Judges and Judge Trainees; Names and addresses of Show Reporters; Show Calendar; Results of Board Mail Ballots; Temporary Suspensions List; Judging Program – Notices of Intent; Late Judges Books; Disciplinary Actions; Dates/Locations of Annual/Winter/Spring Meetings.~~

1019.2.1 The following shall be included in at least ~~three~~ **two** issues of the TICA TREND per year: Names, addresses, phone numbers of Breed Committee Chairs, Standing Committee Chairs , **Judges and Judge Trainees**; List of Standing Committee Members; List of Clerks. **Names and addresses of Show Reporters**

1019.2.2 The following shall be published in the TICA TREND as required: Board Meeting Minutes in the first available TICA TREND following Board Meetings; **Results of Board Mail Ballots**; ~~Quarterly financial report and~~ Annual audit report of the Association; Regional Awards (Aug/Sep); International Awards (Oct/Nov); Candidate Election Statements (Aug/Sep, Oct/Nov); Hall of Fame, TICA Treasure, Lifetime Achievement; ~~Judge of the Year/Member of the Year Ballots~~; Annual Service Awards; Membership Ballot Results; Photos of Applicants to the Judging Program; Notices of Intent - Breed/Trait Advancements; Officers' Reports; Recall Petitions/Rebuttals; Initiative and Referendum/Rebuttals.; **Five-year chart showing membership numbers by region (Feb/Mar)**.

1019.2.3 Each issue of the TICA TREND shall contain current news of the Association, informative articles, paid advertisement, and any other material authorized by the Board of Directors or dictated by the rules of this Association.

Comments:

KV:

- Who is the main target of the TREND and what is the TREND for? Do we really need it anymore with all the information on the web?
- We should start something like a cat almanac with a centerfold section highlighting a specific breed with lots of color pictures - something that can be pulled out and saved. We might even have a binder for sale to hold the pull-outs.
- Perhaps the TREND should be published only 4 times a year but with articles in several languages, particularly French, Spanish, Russian, German and Japanese. We are not reaching our international members.
- What about articles about our competitors that share how they are different?
- What about more articles about judges' experiences in their worldwide travel?
- Why not articles about places with clubs like Malta or Russia with some history of the place, not simply about cats?

EC: There are so few publications geared to breeders and exhibitors due the ARs. Making the TREND a valuable publication with more/better articles would be a coup for TICA. It is a selling point for membership...what would people get for being a member if the TREND is gone? Sure, they can vote, but most of them don't.

AB: Majority of cat owners are not breeders or exhibitors. I think we need to target them, too and have some type of associate membership. Including articles of general interest would be valuable in recruiting them and finding other services that we could target...something like a summary of health information received, etc.

KS: I think that judges should be included in every issue , but perhaps we could shorten the information.

BT: Why do we need to publish the Minutes in the TREND when they are posted on the web site?

THE INTERNATIONAL CAT ASSOCIATION, INC.
ADVANCEMENT AS A PRELIMINARY NEW BREED

An indication that the breed is to be categorized as a Natural New Breed (Cat II), a Mutation New Breed (Cat III), a Domestic Hybrid New Breed (Cat IV) or a Non-domestic Species Hybrid New Breed (Cat V), with the rationale for the category must be included in this application. (Any breed may request to be classified as a Category I breed and may have no outcrosses.)

List the proposed breed category: Category IV

Rationale for category: The Napoleon is a breed that is developed from a deliberate cross between two existing breeds (Munchkin/Persian Breed Groups) incorporating characteristics of both parental breeds into the new breed. (See 33.2.1 of Registration Rules)

33.5.1 A breed recognized for REGISTRATION ONLY may apply for Preliminary New Breed status no sooner than 2 years after acceptance for Registration Only upon completion of the following:

Date (meeting) accepted for Registration Only:

33.5.1.1 At least 15 cats which have attained the age of 8 months (at the time of application) are registered with TICA;

List cats by name and registration number. See Attachment A

| 7. | 8. |
| 9. | 10. |
| 11. | 12. |
| 13. | 14. |
| 15. | |

33.5.1.2 At least 10 litters have been registered with TICA;
 Include copies of litter registrations in packet.

33.5.1.3 At least five TICA members in good standing, in at least three different regions are actively breeding the breed ("actively breeding" means breeding at least one litter within the previous 2 years);

List member, region, and membership number.

| 1. Dawn Lott SC R-2565 | 2. Margie Gardner SE R-2486 |
| 3. Carol Conway MA R-3052 | 4. Peggy Chenault SC R-3286 |
| 5. Kristin Dubois GL R-3741 | 6. Melissa Bucy GL R-3626 |

33.5.1.4 Submission of an Application for Acceptance as a Preliminary New Breed to the Executive Office and an electronic copy to each member of the Genetics Committee and Rules Committee 120 days prior to the Board Meeting at which approval is sought, which includes the following:

33.5.1.4.1 A Letter of Intent to apply for approval as a Preliminary New Breed, including a proposed Preliminary New Breed Working Group Chair and the names and addresses of the proposed Preliminary New Breed Committee to be confirmed by the Board (The Preliminary New Breed Committee shall consist of all members of the breed section.);

Include a list of names, addresses, membership numbers and request for Working Group Chair in a separate document with packet.

33.5.1.4.2 A proposed breed name that is unique, if not already assigned; (This requirement should have been met when accepted for Registration Only.)

List breed name(s): Napoleon

33.5.1.4.3 A proposed breed standard with permissible outcrosses, if any, approved by the Rules and Genetics Committees; Include as a separate document in the application packet.

THE INTERNATIONAL CAT ASSOCIATION, INC.
ADVANCEMENT AS A PRELIMINARY NEW BREED

33.5.1.4.4 A proposed breeding program;
Submit outline in packet.

33.5.1.4.5 A processing fee of \$50;
Include copy of DAR in packet.

33.5.1.4.6 A proposed two-letter breed designation code, which shall be automatically included in the Registration Rules upon approval as a Preliminary New Breed if one has not been assigned previously. (This should have been assigned when accepted for Registration Only.)

Provide two-letter code: NP + NPL

33.5.1.6 A Notice of Intent to Apply for Advancement to Preliminary New Breed status must be published in the TICA TREND at least 120 days prior to the meeting at which the application for advancement will be heard, and which invites comments about the breed to be forwarded to the Executive Office.

Date submitted for publication in the Trend: October 14, 2009

HIGHLANDER BREED GROUP (HG/HD)

The Highlander (HG) is a medium to large shorthair domestic cat. Distinguishing features are its sloping forehead, wide nose blunt profile, and the loose relaxed curl to its wide based ears. The Highlander Longhair (HD) is the longhair version.

HEAD 40 points

Length 4- 6
Texture 4- 6
Pattern 6 4
Color 6 4

CATEGORY: All.

DIVISION: Solid, Tortie, Tabby, Silver/Smoke

COLORS: All.

PERMISSIBLE OUTCROSSES:

Domestic longhair/shorthair, not a member of a recognized breed.

HEAD:

Shape: Wide, inverted pear shaped head with substantial width to muzzle.

Eyes: Medium to large set far apart. Set on a slight bias. Slightly flattened oval in shape. Eye color independent of coat color except in Pointed Category.

Ears: Medium to large, wide at the base, set as much on the top of the head as on the side, as erect as possible. Ears must be firm at the base, flexible at the tips. Loose relaxed curl with little backward direction of no more than 90°, allowing the tips of the ears to be clearly visible in a frontal view. Ear furnishings and ear tufts are desired but not required. Kittens may have a greater degree of curl but not more than 90° by adulthood.

Muzzle: Full, wide, strong with a definite break. Prominent whisker pads should make muzzle appear squared. Muzzle length makes head appear longer than wide.

Chin: Strong and deep. Must align with top of jaw.

Profile: Rounded back skull, sloping forehead, change of direction at the nose bridge, slight curve to eye ridge, may have a slight concave curve to the nose. Nose, muzzle and chin form a blunt look in profile.

Nose: Wide with substantial nose leather.

BODY:

Torso: Medium to large in size with noticeable depth. Rectangular in shape. Straight back with hips higher than shoulders. Overall muscled, athletic appearance. Males are proportionally larger than females.

Legs: Medium in length, back legs longer than front.

Feet: Medium to large, rounded with large knuckles. Longhair (HD) must have toe tufts.

Tail: Short and thick. Bone length must should be a minimum of 2 one inches in adults with proportional length in kittens.

Must Should not extend past the hock. Slight Kinks and curls are allowed.

Boning: Moderately heavy and substantial.

Musculature: Well-muscled.

COAT/COLOR/PATTERN:

Length (HG): Short, dense and resilient.

Length (HD): Longhair up to 2½ inches with shaggy belly hair, longer than the rest of the coat.

Texture: There will be texture variations depending upon the color of the cat.

(HG) Resilient, snapping back into place.

(HD) Soft.

Pattern:

~~Spotted: Random pattern preferred. Spots should be well defined, may be oval, round, squared or triangular in shape.~~

~~Classic: Will have spots and swirls distinguishing it from the normal classic pattern.~~

Tabby: All tabby patterns are all allowed.

Pointed: Expression of the underlying tabby pattern is desirable.

OTHER:

Balance: All parts of the body in proportion.

Condition: Should reflect excellent health, good muscle tone.

Temperament: Must be unchallenging.

GENERAL DESCRIPTION: The Highlander is a muscular, athletic domestic cat. Selective breeding has contributed to protecting the unique features and enhancing the bloodlines. Highlander cats come in both shorthair and longhair. Physical characteristics include a sloping forehead and wide nose, with the nose and muzzle forming a blunt look in profile. The curled ear is seen in profile as a loose, relaxed curl with minimal backward direction. The ears are wide-based, open and stand tall.

LOCKETS: Withhold all awards

ALLOWANCES: Tarnishing in silvers

PENALIZE: Ears that are not open or wide based, ears too small or low set. ~~Tips of ears not visible from frontal view in adults. Kittens with more than 90 curl.~~ Tail too short **long**.

DISQUALIFY: Ears not erect. Tail too ~~long~~ **short** or docked.

— — — — —
Temperament must be unchallenging; any sign of definite challenge shall disqualify. The cat may exhibit fear, seek to flee, or generally complain aloud but may not threaten to harm. In accordance with Show Rules, ARTICLE SIXTEEN, the following shall be considered mandatory disqualifications: a cat that bites (216.9), a cat showing evidence of intent to deceive (216.10), adult whole male cats not having two descended testicles (216.11), cats with all or part of the tail missing, except as authorized by a board approved standard (216.12.1), cats with more than five toes on each front foot and four toes on each back foot, unless proved the result of an injury or as authorized by a board approved standard (216.12.2), visible or invisible tail faults if Board approved standard requires disqualification (216.12.4), crossed eyes if Board approved standard requires disqualification (216.12.5), total blindness (216.12.6), markedly smaller size, not in keeping with the breed (216.12.9), and depression of the sternum or unusually small diameter of the rib cage itself (216.12.11.1). See Show Rules, ARTICLE SIXTEEN for more comprehensive rules governing penalties and disqualifications.

Dear TICA ~ Rules, EO, BOD and Genetics Committee

Progress:

The Minskin Working Group has collectively made progress in recent years with new breeders emerging at a slow and steady pace. Being a double mutation breed (one gene being recessive) I do emphasize ‘slow and steady’. There are several new breeders working with the Minskin who I am assisting with getting registered cattery names as well as memberships with TICA; John Frois – Jasper Cattery of RI & Crystal Rogers – Crystal Cattery in PA just to name a couple. These breeders will be back-registering numerous litters and individual registrations as well as recent litters. There are also several others underneath them who need encouragement in properly registering their cattery and Minskin cats and kittens. There are still others who are well under way in achieving this primarily in the USA and Canada while Animal Planet Cats 101 has taken interest and featuring the Minskin breed on their program. Recordings took place at the Animal Planet studio in NY in Fall 2010.

Setbacks:

There have been some challenging set-backs for the Minskin breed with losses due to the passing of a dedicated TICA Member and long-time breeder Lynne Daggett from LoRider & D’Barekatz Cattery in Nevada. Lynne’s Minskin cats were disbursed through several breeders and unfortunately most fell into the hands of the “designer cat” group (a frivolous dictating “short cat” registry weakly attempting to rival TICA). Unfortunately this group has succeeded in making a negative impact by ‘Munchkinizing’ almost every cat breed known. We responsible Minskin breeders reject the notion of a short-legged version of every breed and respect the unique quality of our *fur-pointed* Minskin, who happen to have short legs (usually).

Showing:

Several Minskin cats and kittens have been presented at TICA shows over the past 10+ years, usually as HHP or HHP Kittens and again encouragement is a necessary factor, especially in this tough economy. There are some stunning Minskin cats and kittens which will be presented in TICA’s Preliminary New Breed show rings in 2011... I can’t wait! The next Minskin PNB presentation will be in the NE Providence RI show this Feb 2011.

In Short (pun intended) the Minskin breed is alive and well but like many new breeds the MS working group has had a fair share of hurdles. We promise to overcome the odds and succeed.

Yours truly with respect and kind regards,

Paul McSorley – Minskin Breed Chair

TRT Cattery since 1989

To: The Executive Office, Board of Directors, and Genetics Committee:

I would like to apologize for being late in submitting this Sokoke Breed Report.

PROGRESS:

The Sokoke remains a rare and endangered Breed, with numbers of cats and fanciers leaving the gene pool and fancy due to attrition, family losses and illness, as well as the economic downturn that has impacted so many. However, the SK Breed Group is a stubborn and passionate lot, and in spite of so many hurdles we have met our basic Goals to import New blood, combine it with Old, and place/share cats in breeding Programs over a broad range.

Of the seven TICA reg. cats imported to the US from Kenya, three are still alive. One female has never produced and is still intact. The other two are proven males, and intact. The six TICA reg. imported New line producing cats from Kenya, as well as my (now deceased) original TICA reg. Old line cat Fulani Lundborg DK, all live on in descendants that are being bred amongst themselves all over the World. Every one of those seven cats has contributed to the gene pool as intended, often against long odds.

Currently, there are no more intact producing all- Old line cats known anywhere. All young and breeding age Sokokes in the Cat fancy are either New Line, or a combination of Old/New.

TICA has been integral in helping the Breed to continue on, as evidenced by the dying out of the original FiFe/CCA reg. pure Old Line world-wide now.

With the advent of Skype and recent explosive growth of Facebook as networking tools for the fancy, a new era of sharing info. and cats is upon us. Already Breeders in different countries are communicating and working on purchasing and sharing of cats, which is critical for the future of the Breed.

The TICA Breed Group's website at www.sokokecat.org has drawn interest since its launch, and two new owners at end of 2010, interested in registering TICA, showing and promoting the Breed at Northern California shows. A Show kitten has recently been placed by Aaliyah Cattery with that in mind for 2011. The other party is going to be breeding as well as showing while being mentored, and possibly having a child involved as a Junior exhibitor.

I am working on placing cats with them to see that come to fruition, and have a new litter to begin that promise. We have proven that the Breed is fairly easy to breed, if managed properly, and is adaptable to indoor and outdoor settings.

SETBACKS:

The small Group of TICA SK Breeders has had to endure: Life-threatening family illness, loss of a child, spouse, loss of income, upheaval, long-distance moves, and a loss of cats from escape, old age, and disease that has taken many off guard, and left the Group reeling. Many long-involved SK Breeders have left the breeding end of the Fancy/or the Breed, with the economy making kitten sales harder. We currently have experienced Show and Breeding owners of intact cats wanting to place them in order to retire from SK breeding, which requires new and dedicated Breeders coming in to keep the numbers up.

As a result of the above, we as a Group are backlogged on registering litters and some transfers that need to be recorded and individual cats that have been kept, unsold, still needing to be registered.

With the knowledge that two trips to Kenya in the past two yrs. looking for new cats have turned up empty-handed, and with the genetic loss of the pure Old Line now, I am actively documenting idled intact and producing cats, and making every effort to get all deserving registered to get an accurate count.

SHOWING:

One adult stud was shown in Medina, OH. this past summer, Sunbright Husani of LeSant by his co-owner Antoinette Clarke. Aaliyah "Jake" now in CA, and a Thanksgiving Day litter born in FL. should provide show kitten(s).

Because of extreme intelligence, highly tuned observation skills, and flight instincts, plus fast development of SK kittens (eyes open on day 9-10, out of the nest within a day, running around Day 15, out exploring on their own Day 21,) a three mo. old SK knows the difference between its chosen humans and strangers. Rehoming them once bonded can be a challenge. We are now starting to be able to linebreed for temperament as well as Type now, and are able to identify easier the outgoing curious ones that enjoy the activity and handling the showing requires.

CURRENT GOALS:

Breed Promotion via Advertising and Exhibiting, Networking/exchanging lines with SK Breeders of other Registries, Screening of Breeding stock for HCM/PKD, tracking and disclosing any genetic problems with openness and honesty to ensure a Future.

It has been a sincere Hope and Dream of the TICA SK Breed Group that we can bolster this amazing Breed and keep it going, and I thank everyone in the TICA Organization that has given us the opportunity to pursue this Goal.

Respectfully,
Lynn Schafer-Russell,
Sokoke Breed Chair
Sunbright Cattery,C-4900

SOKOKE

This report just came in...a little late for the agenda, but wanted you to have the information if there was any discussion.

Nancy

I completely agree with Heather here. I am very concerned about the viability of this breed especially in view of the significant reduction in the population. Personality/disposition have been one of my mayor concern in addition to getting the type/look distinct and reproducible by planned matings.

CATEGORY: Traditional.

DIVISIONS: Solid, Tabby and Silver/Smoke Division.

COLORS: Black, Brown (Black) Spotted Tabby, Silver Spotted Tabby and Black Smoke.

PERMISSIBLE OUTCROSSES: Egyptian Mau, Oriental Shorthair, Ocicat, Domestic Shorthair

HEAD: Shape: **The head, excluding the ears, is shaped like an elongated triangle.** The face forms an equilateral triangle: the top of the triangle is the brow line over the eyes; the sides follow down the jaw bone meeting at the chin. ~~The triangle excludes the ears.~~ The head is small in proportion to the body.

Ears: Ears are ~~extremely~~ **exceptionally** large and high on the head. They are wide with a deep base. **They should be very upright** and have rounded tops. **The outside base of the ear should start no lower on the head than at the height of the eyes, but may be set higher.** The inside base of the ears is set close at the top of the head; **ideally a vertical line can be drawn from the inner corner of the eye up to the inner base of ear.** Ear furnishings may be present; pronounced ocelli are desirable.

Eyes: Medium sized and set underneath a slightly hooded brow. The top of the eye resembles a boomerang, which is set at an exact angle so that the corner of the eye slopes down the line of the nose. The bottom half of the eye has an almond shape. The eyes are moderately deep set, low on the forehead, and at least one eye width apart. Tear stain markings are present along and between

the eyes and the nose. All eye colors are allowed and are independent of coat color.

Chin: From the frontal view the chin tapers to follow the triangle of the head. In profile, the **nose is slightly protruding so that t**The angle from the nose to the chin slants back, which may cause the chin to appear ~~shallow~~ recessed.

Muzzle: The muzzle is tapered with no break. It falls within the bottom portion of the facial triangle that runs from the brow to the point of the chin. **Whisker pads are not pronounced.**

Profile: The forehead is a straight to slightly convex curve from the top of the head to the ridge just above the eye, where there is a slight change of direction and a straight to very-slight concave curve from that ridge to the tip of the nose. In profile, the face also forms a triangle from the top of the eye to the tip of the nose, turning to follow the jaw line and back up to the eye.

Nose: Viewing from the front, the nose is wide across the top with low set nostrils. In profile, there is a slight downward turn at the end, giving a rounded appearance. Nose leather is slightly convex, ~~not flat~~ **and wraps up over the nose.**

Neck: Long and lean.

BODY: Torso: ~~A semi-foreign body type~~ **The torso is long, lean, and well muscled** with a full deep rib cage, **prominent shoulder blades**, a slight, but not extreme tuck-up, and a rounded rump. The hip and thigh are full and long, and somewhat heavy in proportion to the rest of the body.

Legs: ~~Very long and slender yet strong.~~ **Longer than average, well muscled, without appearing heavy or overly delicate.** The back legs are slightly longer than the front legs, ~~and due to this extreme length, may now and then give a false appearance of being cow-hocked.~~

Feet: Oval, ~~small to medium~~ **in size**, ~~with elongated toes.~~

Tail: Medium to thick in width. Medium in length, ending between the hock and just above ground level when standing, with preferred length just below the hock. Tail should taper slightly to a blunt end. Whippy tails are not desired.

Boning: Medium boning with density and strength.

Musculature: Firm and well developed. Athletic yet not bulky. Lean but not delicate.

COAT: Coat: Short to medium in length, moderately dense and loose. It has a slightly coarse feel to it and lacks resilience. Coarser guard hairs cover a softer undercoat. The spots have a notably softer texture than the texture of the ground color hairs. Glitter is not desired.

COLORS: Brown (Black) Spotted Tabby, Black Silver Spotted Tabby, Black, Black Smoke. No preference is given to ground color on the Brown (Black) Spotted Tabby. Bold solid markings are preferred on all tabbies; ghost markings preferred on solid blacks and a visible pattern on black smokes

In any variation the lips are black, and the tear duct lines are prominent. On the spotted Savannahs the nose leather can be ~~solid brick red, pink, or black, as well as red or pink surrounded by black~~ **pink to brick red surrounded by liner, solid black, or black with a pink to brick center or stripe.** In black Savannahs, the nose

BODY:

Torso: The torso is long, lean, and well muscled with a full deep rib cage, prominent shoulder blades, a slight but not extreme tuck-up, and a rounded rump. The hip and thigh are full and long, and somewhat heavy in proportion to the rest of the body.

Legs: Longer than average, well muscled, without appearing heavy or overly delicate. The back legs are slightly longer than the front legs.-

Feet: Oval, medium in size.

Tail: Medium to thick in width. Medium in length, ending between the hock and just above ground level when standing, with preferred length just below the hock. Tail should taper slightly to a blunt end. Whippy tails are not desired.

Boning: Medium boning with density and strength.

Musculature: Firm and well developed. Athletic yet not bulky. Lean but not delicate.

COAT/COLOR/PATTERN:

Coat: Short to medium in length, moderately dense and loose. It has a slightly coarse feel to it and lacks resilience. Coarser guard hairs cover a softer undercoat. The spots have a notably softer texture than the texture of the ground color hairs. Glitter is not desired.

Colors: Brown (Black) Spotted Tabby, Black Silver Spotted Tabby, Black, Black Smoke. No preference is given to ground color on the Brown (Black) Spotted Tabby. Bold solid markings are preferred on all tabbies; ghost markings preferred on solid blacks and a visible pattern on black smokes.

In any variation the lips are black, and the tear duct lines are prominent. On the spotted Savannahs the nose leather can be pink to brick red surrounded by liner, solid black, or black with a pink to brick center or stripe. In black Savannahs, the nose leather must be solid black. Paw pads in any color variation should be deep charcoal or brownish black.

Pattern: The spotted Savannah pattern is made up of bold, solid dark brown to black spots, which can be round, oval, or elongated. A series of parallel stripes, from the back of the head to just over the shoulder blades fan out slightly over the back. The spotting pattern follows the line of the stripes from the shoulders

and continues along the length of the body. Vertically aligned spots are not desired. Smaller spots may be found on the legs and feet, as well as on the face. The black Savannah is solid black, ghost spotting may occur. The spots should conform to the spotted Savannah's description. The smoke pattern should conform to the spotted Savannah's description.

TEMPERAMENT: The ideal Savannah is confident, alert, curious and friendly.

GENERAL DESCRIPTION: The overall impression of the Savannah is a tall lean graceful cat with striking dark spots and other bold markings on a background color of any shade of brown, silver, black or black smoke. The Savannah cat is a domestic breed which closely resembles its ancestral source the African Serval, but is smaller in stature. Affectionate and outgoing, with exceptionally long neck, legs, and tall ears, as well as a medium length tail, the Savannah is both unusual and beautiful. The Savannah is also an exceptionally graceful, well-balanced cat with striking color and pattern.

ALLOWANCES: Females proportionately smaller than males. A cow-hocked appearance of the hind legs due to their longer length.

PENALIZE: Rosettes. Spots that are any color other than dark brown to black. Any distinct locket. Mackerel tabby type stripes. Cobby body. Notably small ears.

DISQUALIFY: Extra toes.

Temperament must be unchallenging; any sign of definite challenge shall disqualify. The cat may exhibit fear, seek to flee, or generally complain aloud but may not threaten to harm.

Evidence of intent to deceive the judge by artificial means, cats with all or part of their tail missing (except those breeds whose standard calls for this feature), totally blind cats, cats having more or less than five toes on each front foot and four on each back foot (unless proved to be the result of an injury or as authorized by a Board approved standard), male cats in the adult championship class which do not have two descended testicles, and, at the discretion of the judge, tail faults (visible or invisible) and/or crossed eyes shall be disqualified from championship competition.

leather must be solid black. Paw pads in any color variation should be deep charcoal or brownish black.

PATTERN: The spotted Savannah pattern is made up of bold, solid dark brown to black spots, which can be round, oval, or elongated. ~~Rosettes are not desired.~~ A series of parallel stripes, from the back of the head to just over the shoulder blades fan out slightly over the back. The spotting pattern follows the line of the stripes from the shoulders and continues along the length of the body. Vertically aligned spots are not desired. Smaller spots may be found on the legs and feet, as well as on the face. The black Savannah ~~should be solid black~~ ~~Black spotting on a black background is preferred~~ **is solid black, ghost spotting may occur.** The spots should conform to the spotted Savannah's description. The smoke pattern should conform to the spotted Savannah's description.

TEMPERAMENT: The ideal Savannah is confident, alert, curious and friendly.

Time permitting, can we add a discussion item on naming chartered clubs ? The guidelines currently issued (see http://tica.org/members/forms/club/club_procedures.pdf) say that TICA should not be part of the club name. This is clearly not followed for some 10 years (see EN and EW club names) and it would be helpful to get some clarity on what should happen in the future.

FYI, Laurie believes that there are trademark issues with using TICA as part of the name.

Kind regards

Martin

Standing Committee Discussion

Following are the applicable rules regarding the establishment of committees and their charters. Directors should be prepared to come to the Board meeting to discuss the following questions:

- 1. Do we need these committees?**
- 2. Do we have the right committees? What committees should we have?**
- 3. How do we ensure the committees are functioning effectively?**

By-Law

16.4 Appointed Committees. Committees shall be appointed from time to time in accordance with the provisions of the Standing Rules to these By-Laws

Standing Rule

106 Appointed Officials, Committees, and Employees. (By-Laws, ARTICLE SIX)

106.4 Standing Committees. The President, with the advice of the Board of Directors, shall appoint persons knowledgeable in the fields specified to serve on the following standing committees, and such other committees that from time to time may be necessary and proper for the effective and efficient operation of the Association. Each committee may have budgets as needed which shall be provided annually with the approval of the Board of Directors. Each committee shall have a chairperson, members as needed and a Board Member who works with the committee as a Liaison Director. It is the duty of the Chairperson to formulate the committee goals, to communicate the policy of the committee to the committee members, to direct the work of the committee and to seek information and guidance from the Board through the Board Liaison, and information from the Executive Office as needed. It is also the duty of the Chairperson to provide progress reports of the committee to the Board annually. The duties of the Board Liaison shall be to serve as a channel of communication between the Committee and the Board, to provide encouragement and incentive for activity of the committee and to be available for consulting and mentoring as needed or requested by the Committee Chairperson. These standing committees shall be as follows:

106.4.1 Rules Committee. To review all proposed amendments to the By-Laws, Show Rules, Registration Rules and Standards of the Association, to note other rules affected by the proposed change and to ensure that the proper terms are used to convey the meaning intended and to ensure uniformity of terminology throughout the By-Laws, Show Rules and Standards of the Association.

106.4.2 Genetics Committee. To advise the Board of Directors in any matter relating to breeds, breeding, colors, deformities or any other matter in the field of genetics.

106.4.3 Legal Committee. To advise the Board of Directors on legal rights, obligations, and liabilities and to offer legal opinions and interpretations of proposed amendments to By-Laws, Show Rules, Registration Rules and Standards of the Association, and to offer advice regarding other matters which may affect the Association including contracts and agreements; to investigate and advise the Board of the facts surrounding protests, to act as hearing officers or in any other matters delegated by the Board of Directors. The chairperson is authorized to appoint any such ad hoc committee as may be advisable to assist with such investigations.

106.4.4 Computerization Committee. To advise in the developing of programs for computerization of registration, annual awards computations, computer preparation of catalogs and any other area involving computer science.

106.4.5 Feline Welfare Committee. The role of the Feline Welfare Committee is to assist in resolving complaints made to TICA about the welfare of cats, to aid and assist breeders who may need or request help, to promote the Responsible Breeder Program, to create and assist in the implementation of a breeder mentoring program or other programs to assist TICA members with feline welfare issues, and to make recommendations to the Board of Directors on programs to promote feline welfare and responsible breeding.

106.4.6 Marketing/Advertising and Promotions Committee. To assist the Board to establish a marketing and advertising plan for TICA, to update and change such as needed, to interface with the publications sub-committee and other committees as necessary to effect the most efficient use of TICA funds while maintaining a high standard of advertising and marketing.

106.4.7 Finance Committee. To advise the Board of Directors in overseeing financial affairs of TICA, reviewing fiscal policy, to have access to TICA financial records if necessary, implementing cost saving changes, and to recommend any necessary projects to ensure that TICA is run as a fiscally responsible corporation.

106.4.8 International Development Committee. To promote TICA membership, to encourage judging applicants, to assist Regional Directors in the development of new areas and to report to the Board of Directors any problems or issues pertaining to areas not yet organized as TICA regions.

106.4.9 Legislative Committee. To identify legislation and areas affected; to coordinate with other animal organizations to defuse any negative action that would endanger the continuation of owning, breeding or showing cats; to solicit support of the Regional Director in a target area who will appoint two regional members for the purpose of encouraging attendance at meetings and/or writing letters to the people responsible for passing laws/ordinances.

Dear Board Members,

I have some topics for the period of time at the end of the Agenda: Directors Open Forum. I would like to discuss about two topics which ones were part of my campaign when I ran for RD.

1) Judging Assistant Administrator for international regions (At least for SA)

Today, TICA is the most relevant and progressive of all feline associations. However, in my region, I feel that we are unfortunately starting to lose over other associations in many aspects. In Buenos Aires for example, are shows are each time smaller and harder to support financially. In Brazil, we are only strong in Porto Alegre and in spite of all our efforts it is very hard to extend our influence to Rio de Janeiro and São Paulo. In Uruguay, people are making a great effort in order to establish a club and put on some shows. On the other hand, Colombia and Panama are showing an innovative spirit and in little time many breeders have joined in, various clubs have been created and have put on a great number of shows. The entire Region has developed a dangerous dependence on foreign judges willing to help using their mileage to travel for free and not asking for their judging fees.

In order to grow, my Region needs new judges and new clerks. We will never have a grounding solid enough if we keep on depending on judges willing to use their mileage to come judge for free. This doesn't happen in other TICA regions, nor does it even happen here in other associations. Having more local judges would help us keep the costs of a show down and slowly save enough money to pay the judges' fees. This is something that will take time but it is a goal we have to reach. All the other regions of TICA have produced many new judges in the last decade. My region has not produced a single new one for the past 12 years, all the contrary; we have lost some judges both in Argentina and Brazil. Some are now judging for other associations, others have simply stopped. Undoubtedly we have lost some very valuable people.

I have proposed Luiz Paulo Faccioli to become Assistant Clerking Administrator for SA and Dewane Barned has no problem whatsoever with Luiz Paulo serving in that position. The role of Assistant Clerking Administrator already exists in TICA rules and ***I think it is necessary to create an Assistant Judging Administrator in the international regions of TICA.*** That person's duty would be to identify the potential candidates interested in entering the program and help them entering and being accepted. That person would help them with details and inform them on the requirements; he would also work on a regional calendar for the clerking and judging schools held in the region. This assistant clerking/judging administrator would receive monthly information from the trainees and send a quarterly report to the Judging Administrator and send the clerks and judges their recertification tests in Spanish or Portuguese according to their location. Many times English as a language is a big barrier for candidates who would like to comply with the requirements but do not speak English well enough.

As a judge I always have done all my exams in English, but I know my exams would be much better if I can express my ideas in my own language. We have wonderful judges outside the USA which are ready to translate the exams and mark them later. If we are a truly international association, then we need to understand there are many languages out there.

2) National Winner Awards for Isolated Areas

My region is very vast and very few exhibitors travel to all the shows which is why I feel we should create some kind of National Ranking – with maybe a top 5 for each class – for Argentina, Brazil, Colombian Panama and Uruguay, with a minimum of 3 shows a year and at least 20 rings per country. Of course we would still have the Regional Ranking that recognizes the top 20 Cats/Kittens/Alters/HHPK & HHP but we need some kind of mechanism that takes in consideration the distances and the real differences that exist within my region.

At this moment the Regional Banquet is not a real banquet because they are attending just the exhibitors of the country which held the banquet. People from Uruguay will never get a RW because they can't make more rings than Brazil or Colombia. At least they will be able to have The Best Cat/Kitten/Alter/ HHPK & HHP in Uruguay, what at least is something.

National Ranking could work not only for SA, I think this is a good idea for all the isolated areas like Wales in the UK, Mexico in SC and even Malasia.

These are the topics I will bring to the meeting and I will be happy to answer any question and what is more interesting to get your feedback.

During discussion time:

I would like to see a breakdown of TICA U 'enrollees'...this would help us be able to market overall and for RD's facilitate their 'area'.

Would also like to hear how regional checking accounts are set up---received a few responses when I asked previous but with new Board members might be a decent question to ask again.

Yearly Regional account reporting....confirm a date range, what we want for the Trend (vs. we may report a fuller picture to our region) so we are the same. Again, good idea with new and newer folks on the board.

Although we looks at things on an overall level--are there any regions that currently have a program or thinking of a program to assist clubs in bringing in new exhibitors--- in recent times that you have entry clerked, benched, judged a show where you know the crowd so to speak....how many new exhibitors do you estimate to see?

Mentor programs---idea on #'s and type of folks signing up? Would like to see some discussion on how to get the word out BEFORE a new breeder or exhibitor comes on board and has an issue. Again, a lot of this is via the local one-on-one dynamic and show level involvement when it comes to exhibitor mentors. Would be nice to get some of these early jumpers before they got into the pool. How do we pull in possible new exhibitors-folks that never been to a show but have a favorite kitty at home?

Jackie
