TICA Financial Report

As of March 31, 2016

The Spring meeting reports reflect TICA's financial position and activity for the first nine months of its fiscal year which ends June 30, 2016. Referencing TICA's Balance Sheet, the Association continues to be in a very solid cash position. We continue to carry a large bank balance and our investment account with RBC Wealth Management is performing as expected. As earnings are received into the account, they are held in a money market account. My recommendation is for the Board to pass a motion to allow the transfer of an additional \$100,000 into the investment account.

As to the profit and loss position for the first nine months of the fiscal year, TICA is in a very positive position relative to the budget. The reports that are supplied include both the actual activity to date versus the budget to date, an estimate of the 4th quarter income/expense and a comparison to the annual budget.

TICA's revenue continues to increase year over year in Cattery, Individual, Blue Slip, and Litter Registrations and both categories of Pedigrees.

Some comments on certain profit/loss categories:

Annual Awards Program

Board Meeting Expense Annual – The EO has been unable to break out the proper classifications of expenditures of this meeting. An additional payment was made to the Annual hotel and is under protest with American Express. I am unaware as to whether the dispute has been resolved. Currently, the Annual Board Meeting expenses appear to exceed the budget by approximately \$15,000.

Computer – Programming time is significantly less than budgeted. Unfortunately, the budget "savings" reflects reduced system development and maintenance rather than a cost savings.

Marketing - Special events includes cost of sponsorship of and expenses for sponsor-funded events, predominately pet expos and conferences. Printed material includes sponsored printing of coloring books and visitor guide.

Additions to Capital Equipment – Approximately \$6200 was added to Office Equipment for the purchase of a new phone system and about \$4700 was added to purchase uninterruptable power supplies for the office computers. These expenditures are reflected on the Balance Sheet and not the P/L.

Budget Proposal

The final column of the financial report is the Executive's proposed budget for next fiscal. Revenue reflects conservative increases over this year's budget, not over this year's projected balances.

Board meeting expenses include estimated expenses for the Annual Meeting and the Winter Meeting in Portland. Travel expenses for the Directors are budgeted at the policy rate of \$300 in country and \$800 international. The Board may determine different reimbursement rates if funds are available. An increase is included to upgrade rosettes for the Annual, if desired.

Computer programming expense is budgeted higher than the anticipated expenditure for this fiscal year and budget for outside services remains. These line items may be increased if the Board decides to hire a project manager.

Marketing income and expense is budgeted to reflect what is pretty much known to be received and offset by earmarked expense.

Salary and wages were adjusted to include the effect of midyear wage increases and proposed increases, including a general staff wage increase of 1.5%.

MARKETING AND BUSINESS DEVELOPMENT

Spring Meeting May 20-21-22, 2016

Director Marketing & Business Development: Roeann Fulkerson
Liaison to Board: Ellen Crockett and Fate Mays

Brief Summation of Immediate Past Business Development Activities:

Through our partner sponsorships, TICA has been able to fund sponsorship to (48) forty-eight TICA clubs shows and (8) eight additional shows in conjunction with Pet Expos. TICA has attended (6) six Pet Expos where the TICA booth distributed coloring books, Visitor Guides, and answered questions about who TICA is and what we do. TICA was again the Gold Sponsor and feline presence at the World Pet Associations, America's Family Pet Expo in Costa Mesa, CA in April where it was a huge success. We were able to bring back iCAT Feline Agility for this event. We encouraged the shelters attending the Expo to bring their cats up to Agility and Vickie Shields taught them how to let the cats gain confidence and show off their personalities. In fact, the winning cat with the fastest time, **won the cash prize** \$125 for its shelter. What terrific goodwill that brought to the community. The first weekend in November Central New Jersey Cat Club will have a show in conjunction with Family Pet Show Expo, we are trying to get iCAT Feline Agility at this event too. This should be a great success with the expo, cat show, and agility.

A special plea to our Regional Directors! We need to please notify all the clubs in your Region that an easily completed Sponsorship Funding Request Survey Form must be fully completed and emailed back to me/Roeann RFulkerson@cfl.rr.com for processing. It is impossible to timely process sponsorship requests without the completion of this survey. The sponsorship requests i.e. surveys, must also have at least 8 weeks lead-time so sponsors items can be shipped to the clubs. It is not possible to process clubs sponsorship in less than 8 weeks. Regional Directors if you would please send a note out to your lists and on your websites that Sponsorship Funding Requests must be made well in advance, that will significantly help work flow.

This year TICA has attended three Veterinarian conferences reaching in excess of 40,000 plus key influencers within the veterinarian community and teaching schools. We have two additional vet conferences scheduled before the year ends. The AVMA-American Veterinarian Medical Association, in San Antonio, TX, August 5-9, 2016 and the AAFP-American Association of Feline Practitioners, November 3-6, 2016. The AAFP is featuring Feline Behavior and Respiratory Disease. With 2015 being such a success for the TICA cats' participating at the conference, this year the interaction and handling of TICA cats has been expanded to two seminars on two different days. AAFP requested TICA bring seven cats for these seminars and teaching sessions. In 2015, we had four cats present. This relationship with the AAFP significantly benefits TICA, pedigreed cats, and all cats and fosters a growing relationship of knowledge and respect.

The distributions of 1st and 2nd Edition Coloring Books have exhausted all our reserve at EO and are now in the second and third printings. The **2015 Visitor Guides are almost all gone** from EO and we expect will be gone by the time the new 2016 version arrives from the printers. Ongoing requests for these items continue through the contacts made at the Veterinarian conferences. The new Breed posters are also being requested and shipped to many contacts made at the conferences. From the Western Vet Conference alone we received well over 60 requests for coloring books and visitor guides to be sent to Animals Hospitals, teaching schools, groomers, and other locations where our items are used for education about felines.

The attendance at Pet Expos gives TICA the opportunity to reach people who never knew TICA existed. Every Expo we hear people commenting they are happy to see “cat” people present and love the information we are sharing. We are also now listed in National Pet Referral Line listings provided by the Amazing Pet Expos.

Another big first for TICA was our participation and sponsorship of the Texas Unites Animals Conference in Austin, TX. <http://www.texasunites.com> This was a rather unique gathering of companies and associations; ASPCA, Petfinders, PetSmart Charities, PetCo Foundation, Texas Collation of Animal Protection, HSUS (yes, HSUS was there as they also attend all the Amazing Pet Expos), Shelter Planners of America, well, you get the idea. So we needed to have just the right people staff our TICA booth. We were so fortunate to have Caroline Fralia and Joe Edwards cover the booth. Joe specifically has a long history of working with these groups so both were welcomed at this conference and many were really happy to see Joe. Our new Breed Posters was made available to all the shelters, as were coloring books and visitor guides. We must remember, “IF TICA doesn’t tell our story, someone else will.” We need to face Animal Rights groups with kindness and knowledge. They need to learn we are not the enemy but a wonderful resource.

A TICA show in the Northwest Region scheduled for the last weekend of the show season was booked on the morning show New Day Northwest, and NBC affiliate. We arranged to have our TICA partners Sturdi Products provide audience gifts, and even our brand new partner “CIAO pet treats” sent gifts over night to arrive in time for the TV appearance. <http://www.king5.com/mb/entertainment/television/programs/new-day-northwest/rare-and-exotic-cats-visit-new-day/157827652> Great publicity for TICA and our cats.

TICA was a huge success at the two Shanghai, China; cat shows sponsored by Dr. Elsey Precious Cat. Our president judged the first show and met with Xi Bin, the local distributor in Asia who enthusiastically provided signage, gifts, and lots of product. They even manufactured these small individual bags of TICA logo’ed Dr. Elsey Precious Cat litter to litter the show!!

Our legal Susan Adler has been working to get three phrases Trademarked/Registered for TICA. These three phrases became Registered to TICA April 19, 2016 and they are;

Serial number 86705558: TICA'S COLORFUL WORLD OF CATS®

Coloring books; Educational publications, namely, educational learning cards, flash cards, activity cards, workbooks, textbooks, activity books, story books, puzzle books, printed puzzles, teacher guides, manuals, posters and educational booklets in the field of cats; Guide books featuring cats; Newsletters in the field of cats; Posters; Yearbooks in the field of cats.

Registration # 4,945,143. April 19, 2016; **TICA's WONDERFUL WORLD OF CATS®**

Phrase can now be used displaying with the mark the letter R in a circle, ®, or the words "Registered Trademark" or "TM"

Phrase can now be used displaying with the mark the letter R in a circle, ®, or the words "Registered Trademark" or "TM"

TICA has sponsored the Cat Writers Association since 2009. As a sponsor, CWA President Marci Kladnikto interviewed Cheryl Hogan on "Google Hangout" to find out more about TICA and what we do. This interview can be seen on YouTube <http://bit.ly/1T11GV9> The interview was also posted on the Cat Writers Association FaceBook and Blog pages. This was nice publicity for TICA.

Current Happenings of Business Development:

TICA has secured two new international companies as partners. The first new international company has a very long history and scientific base with DNA research, gene banking, and companion animal cloning. TICA is the perfect fit being a genetic registry and based in science. This company already sponsored one TICA show and was thrilled with the reception. The company is excited to sponsor and attend some specific TICA shows and events, purchased some advertising from TICA and partner to allow TICA to help build the brand.

The next international company represents a multi level, eight-generation family owned Japanese company who has just moved to the U.S. market. We are excited to see this company attend some TICA shows in the U.S., participating with advertising purchases from TICA, provide some strategic clubs sponsorship and allow TICA to help build their brand in the U.S. market.

Ongoing preparations continue for expanding TICA's reach with the public. The Marketing Committee will be meeting in person, as a whole, the second weekend in June. We will be discussing strategic planning, new ideas, and ways to promote and grow TICA in the worldwide market.

We continue to have some special events where it is important people know at a glance, that TICA represents cats! This inserted logo was designed (at no cost) so we might use this at special events or on special give away(s) to better identify TICA with cats. It does not alter our logo; the cat on top of the globe enhances and immediately allows identification with felines. Since TICA is moving into many new areas, it would be helpful to use this logo on special occasions, with special events. We will continue to use our regular logo, this is just an added value for TICA.

An update to the TICA sponsored Kitten Pavilion at the Denver County Fair, July 29-31-31, 2016. This was a huge success last year so much so the Fair has provided TICA with its own building! Jackie Rose is the point person for this event again this year and lots of publicity is being done to attract people to the show. We will have iCAT Agility

present too.

In an attempt to reach the millennial market, a unique opportunity was presented to TICA. This was through a partnership of sorts with a cartoonist who travels around the U.S. with his cat Misha. TICA created an honorary registration for Misha that was awarded to Scott Gross (her human) and Misha at the Phoenix Amazing Expo and TICA Desperados' Cat Show in April. #CatHair Rising is the hash-tag for the Comic story about Scott's cat Misha. TICA traded a ½ page ad in Scott's monthly newsletter and comic story for promotion of his comics with TICA. *Scott Gross* is a comic book writer and artist for Warner Bros. Consumer Products such as Looney Tunes and Scooby Doo. Here is an interview with Scott; <http://bit.ly/1Oqrjuk>

#CatHair Rising at ComiCon

Misha in Booth Note TICA logo

In March, TICA President sent a welcome letter to the President elect of Taiwan. The first woman elected Tsai Ing-Wen and she is a huge cat lover. Along with the welcome letter TICA sent; Two TICA Household Pet Registration for Xiang Xiang and Ah Tsai (the two cats owned by the President); Honorary TICA Membership Certificate; TICA Coloring Book 2015 and 2016 versions; TICA World of Cats Visitor Guide w/brief summary for each breed of cat; and the Breed Poster with 63 TICA recognized breeds of cats

Future Projections for Business Development:

We still have a request for a TICA show in or around the St Louis area. There are a group of individuals who would like to cross over from another registry and begin attending TICA shows however, a local show in the St. Louis area was discussed.

Action Items:

Regional Directors send notices to all clubs in their Regions and post on their websites, clubs must give at minimum (8) eight weeks lead time for submission of Club Sponsorship Surveys.

Hi Carol And Rick.

Robin Higgins recently asked me to put you both on the Agenda for appointment to the AS Breed Committee. She is the current Breed Chair. In checking your records at the EO, Rick you would need to pay the \$10.00 filing fee, and Carol you would need to pay the \$10.00 filing fee and one year of membership.

Hopefully, you both are in agreement and will pay these fees before the May meeting. The Board would verify these payments before any appointment is made.

Thanks and good luck, Fate

Hi Frances,

I was told by Fate to email the EO and get in touch with you or Leslie to pay for my breed committee appointment like I had already ran for it. He's going to put the decision up at the next meeting and said I needed to pay the \$10 to do that.

Please let me know how I can go about that.

Thanks so much!

Amend Show Rule 27.4 (Supreme Qualifications) – Lopez

Rationale:

At present, a cat can achieve the title of SGC/SGCA/SGM by fulfilling the requirements of both requisite points and Best Cat award, whether a show has a small entry or an exceptionally large one. This proposal would give recognition to cats that compete successfully in very large shows by allowing certain finals awards to be substituted for the Best Cat requirement.

Amend Show Rule 27.4

27.4 SUPREME GRAND CHAMPION/SUPREME GRAND CHAMPION ALTER/SUPREME GRAND MASTER: An eligible male or female cat registered in TICA, an eligible neuter or spay cat registered in TICA, and an eligible, TICA registered household pet, after attaining the title of Quadruple Grand Champion, Quadruple Grand Champion Alter or Quadruple Grand Master respectively, shall be entitled to the prefix "SUPREME GRAND CHAMPION", "SUPREME GRAND CHAMPION ALTER", or "SUPREME GRAND MASTER" by winning an additional 2,000 points with at least one additional award being Best Cat of either format. However, in such isolated areas as defined in Standing Rules 1012.3, cats are entitled to the title "Supreme Grand Champion", "Supreme Grand Champion Alter", or "Supreme Grand Master" by earning 1,000 points with at least one additional award being Best Cat of either format.. **When at least 75 cats, 50 alters or 50 household pets are present in an allbreed class, any final within the Top 10 AB may be substituted for the award of Best Cat. When 50 Cats are present in a specialty class, any final within the Top 5 SP may be substituted for the award of Best Cat.**

If approved, amend associated Standing Rule 207:

207.1.1.1

Champion HHP Requirements for Titles

CH CHA MS 300 points from 4 different judges, plus one final

GRC GCA GRM 1000 points with 6 finals, 3 in Top 5 SP or Top 10 AB

DGC DGCA DGM 2000 points plus 1 final in top 5 SP or Top 10 AB

TGC TGCA TGM 3000 points plus 1 final in Top 5 SP or Top 10 AB

QGC QGCA QGM 4000 points plus 1 final in Top 5 SP or Top 10 AB

SGC SGCA SGM 6000 points plus **either:**

-1 Best Cat as a QGC/QGCA/QGM,

OR

- 1 final Top 10 AB with a minimum of 75 cats/50 alters/50 household pets as a QGC/QGCA/QGM,

OR

- 1 final Top 5 SP with a minimum of 50 cats as a QGC.

207.1.1.2 Isolated Areas

Champion HHP Requirements for Titles

CH CHA MS 150 points from 2 different judges, plus one final

GRC GCA GRM 500 points with 3 finals, 1 in Top 5 SP or Top 10 AB

DGC DGCA DGM 1000 points plus 1 final in top 5 SP or Top 10 AB

TGC TGCA TGM 1500 points plus 1 final in Top 5 SP or Top 10 AB

QGC QGCA QGM 2000 points plus 1 final in Top 5 SP or Top 10 AB

SGC SGCA SGM 3000 points plus **either**:

-1 Best Cat as a QGC/QGCA/QGM,

OR

- 1 final Top 10 AB with a minimum of 75 cats/50 alters/50 household pets as a QGC/QGCA/QGM,

OR

- 1 final Top 5 SP with a minimum of 50 cats as a QGC.

207.1.1.3 More than one title can be earned in a single show (subject to later confirmation by the Executive Office), except that the Best Cat/Alter/HHP Final (**as defined in 207.1.1.1 or 207.1.1.2**) for a SGC/SGA/SGM MUST be earned at a later show than the show at which the title of QGC/QGA/QGM is earned.

Rules Committee Comments:

A) .I think that this cheapens or whatever you call it our award system. It's kind of like everyone gets a trophy for just playing. I think the way we do things is a lot more meaningful than if we change so your cat can Supreme if it's in a big enough count class. If the cat is deserving of a Best Cat, it will get it.

B) There aren't many shows with this number of cats - if your cat/kitten/alter is good enough for top 10 in this kind of a show, then it surely will get Best at a smaller show.

C) Sorry I cannot agree with this one.

Why are we trying to belittle the high standards we set our cats. We have become the body to show with as our standards are high and we get good cats. I love to celebrate that ultimate "Best Cat" and share in the happiness of the day for the exhibitors who achieve it. I want to keep it that way.

D) While it is up to the board I just don't get it. As (B) says go to a smaller show. Also it would affect such a small number of shows for a lot of EO work

E) I don't agree this is about making cheaper our award system. Getting a final with more that 75 cats competing is harder than a best cat with 25 cats competing.

This might be a really good incentive for people to attend the annual. We all know how difficult is to get finals at the annual.

This proposal will affect very few shows, 5 shows average per year. Shows that for different reasons have become the shows that everybody wants to be there.

This proposal is not making things easier, it's just offering one additional option to supreme a cat. In fact a really hard option since shows with more than 75 cats or 50 alters/HHPs are rare and getting a final at these shows very difficult.

Add Show Rule 210.13 (PO by Owners) – Hicks

Rationale:

I really feel it is the owner/agent's right to have the cat presentation only at their discretion along with the current provisions that require the entry to be PO. This would allow cats to enter the congress for count but not be eligible for final. This happens all the time with congresses and now the owners are come up with their cat and say please don't final my cat. If they were able to tell the clerk it is PO, then this eliminates the rule infraction. There are also times that the owner would like to PO in specialty rings for various reasons. This would preserve the count while preventing cats that do not need the specialty ring points from finaling.

Add Rule:

210.13 The owner and/or agent of the entry may have the entry judged as "Presentation Only" at the owner's and/or agent's discretion.

Rules Committee Notes:

Francine has clarified that this amendment is to cover ALL types of rings, not just Congresses.

212.5 will also need to be altered to include a reference to the new 210.13.

Rules Committee Comments:

(A) With the exception of a new cross-reference in 212.5 to the proposed rule, the proposal is in order from a format and consistency perspective. It does however change the current reasons for PO.

I assume the main reason for exhibitors wanting such a rule is for Supremes to be PO'ed in congresses, which are the only rings where a minimum cat count applies. The rule should have been restricted to such rings and not any ring.

(B) I think our PO rules are fine as is. If you PO a cat in a congress, then you are violating the rule of not making ownership known.

(C) I agree with (B)

(D) I agree with (B)i

(E) I agree with (B)

(F) I agree with (B) and (C). If Francine wants to pursue this she would need to address the identity issues.

(G) Sorry - but I don't see how ownership is made known. The exhibitor tells the clerk, who then tells the judge that cat X is to be PO only.

OK, the judge might suspect cat X has Supremed already or is being campaigned but I don't see that's any different from an owner absenting a cat from a Congress ring.

(H) OK. Lets say I'm judging a Bengal congress. I have 5 PO's. That's going to tell me that more than likely those cats are Supremes. Later the same cats come to my ring for judging. I'm not stupid, I'm going to remember them plus now I know what their titles are, more or less.

That also goes against what we don't believe in and that's letting judges know what titles the cat might hold.

(I) I agree with (H). If an exhibitor doesn't want his cat to be judged, then he needs to absent the cat. PO means the judge was in charge of the cat for a period of time (like transportation, share a room hotel), possession within the previous 6 months if the judge was the owner but not the breeder, or permanent if the judge is the breeder.

If we allow PO cats just to let them be counted we are changing the spirit of the rule and opening the PO for everything. We can't PO cats "just because..."

(J) I really don't understand the identity issue - you just tell the clerk to PO a certain cat and it's number is turned - the owner doesn't have to turn the number..

But I think it shouldn't be an option - either a cat is in the competition or it isn't. You can't tell a judge how they judge the cats.. If there aren't enough to fill a congress, then let the Supremes in or don't have one.

(K) I think this rule change, if passed, will create a lot of cats being finaled out of necessity rather than being deserved of a final. It will put the judges in the position of finalling less deserving cats.

(L) As an SP judge I sometimes have to credit some felines that I might prefer not to final. I think that a change to this rule will exacerbate this and I am against it.

Amend Entry Clerking Manual (Test Fees) – Board Directive

Rationale:

The Winter 2016 Board Meeting records “46. Unanimous consent by Crockett to send to the Rules Committee: Remove the annual fee for both the clerking and entry clerking programs. If the test is submitted on a timely basis-no fee. If the test is late charge a \$10 late fee. Without objection.”

Pros

- The fee was originally put in place to cover the cost of paper, printing & postage. Everything is now done electronically.
- Less work for the EO.
- To prevent any miscommunication between the Entry Clerking administrator and the EO.
- Encourage more people to enter the Entry Clerking program.
- To encourage participants to remain in the Entry Clerking program without having to start the program all over again.

Cons

- Introducing a rule change which would apply to very few members and would give addition work to both the EO and Entry Clerking Administrator

Amend Entry Clerking Manual Rules:

51.4.1 Payment of TICA membership dues ~~and a \$5.00 annual relicensing fee on or before May 1 of each year.~~

51.4.3 The relicensing examination must be completed and returned to the Entry Clerking Administrator within 60 days of the date when the exam was mailed or emailed. Failure to comply with this deadline will result in the Trainee or Licensed Entry Clerk ~~being dropped from the Entry Clerking Program~~ **being assessed a penalty of \$10 and being given an additional two weeks to complete and return the test.**

Rules Committee Comments:

A) Whilst the rule changes are correctly formatted, I note that the Clerking Manual and the Entry Clerking Manual share similar rule numbers, which means that there is potential for confusion.

B) Should “returned to the Entry Clerking Administrator” be clarified by “adding by mail or e-mail”?

Add Standing Rule 2015.3 (Sharing shuttle buses) – Crockett

Rationale:

Show rule 215.3 currently says “Judges shall not transport, supervise the transportation of, or in any way be cognizant by any personal act on their part of the entries of an exhibitor at any ring in which they are officiating.”

The way this is currently written, an airport shuttle to/from a hotel carrying a judge would not be able to take exhibitors with cats at the same time. The proposed Standing Rule would permit this.

Add Rule:

2015.3 Sharing a vehicle between a hotel, airport and/or show hall does not constitute a violation of show rule 215.3.

Rules Committee Comments:

(A) This makes sense to me

(B) I don't think riding in a shuttle is in possession. I think this is a good thing and will help clarify the position.

(C) I'm fine with that

(D) I don't see a problem with this one.. I don't think riding in a car with another exhibitor's cat in it should be cause for PO if the owner of the animal is there and the cat is in a carrier unseen by the judge.

(E) Good clarification

(F) I like this. It makes the rule clearer and helps shows trying to encourage foreign exhibitors to attend by offering lifts

(G) In principle, I'm comfortable with the proposed amendment - although part of me wonders if the wording about the type of vehicle needs tightening a little to be defined as just airport/hotel shuttles and taxicabs.

(H) It also includes rides from the hotel to and from the show hall. Many “fly ins” in the US do not have vehicles. I can't answer for other countries.

Amend Standing Rule 209.1.1.6.1 (Add Hotel Pet fees) – Crockett

Rationale:

As hotel pet fees can vary widely, exhibitors need to be aware of what charge they may incur prior to choosing between hotels.

Amend Rule:

209.1.1.6.1 Show Flyers MUST include the following information:

TICA logo

Name of host club

Date(s) of show

Names of judges and assignments (AB/SP)

Show Hall (Address, Emergency Telephone #, if available)

Show Hotel (Address and Phone Number)

Show Hotel – pet fees

(remainder of rule unchanged)

Rules Committee Comments:

(A) I don't have a problem with that.

(B) I don't like this. It is not up the clubs to control that. It's an exhibitor's responsibility to get the right information from the hotels. Hotel pet fees are not a club decision.

(C) I kinda of agree with (B) on this one - I don't think the hotel our club uses charges pet fees, but I haven't really asked and we have no agreement with them as to a 'show hotel' anyway.

(D) While I am not usually vocal I strongly disagree with (B).

(E) I agree with (A)

(F) I agree with (B). In the UK it's rare to include the Hotel Policy as flyers usually state a number of hotels for the exhibitor to choose from. Getting further info is up to them.

(G) I'd argue that hotels set their room rates - not the club - although the club can try to negotiate rates. Yet clubs still list the fees for show hotels on flyers!

It's fine to say "let the exhibitor investigate for themselves" but if the relevant hotel web-sites don't make fees crystal clear, then how can the exhibitor know?

On balance, I think it is fair that clubs should specify pet fees if they have agreed a discount and block rate with hotel(s) and are directing exhibitors to use the hotel(s).

Add Standing Rule 907.4 (Therapy Cat Title Program) – Patton

Rationale:

The purpose of these titles is to honor the cats and owners for the dedication required in performing as a therapy team. TICA would be the first cat registry that gives actual titles for these special cats and their owners.

1. All cats must be TICA registered.
2. All owners must be TICA members.
3. All cats will be certified by Pet Partners or a therapy pet organization approved by TICA at the owner's expense. Only certifications from Pet Partners or aforesaid approved therapy pet organizations will be accepted.
4. TICA will offer three levels of titles that can be achieved.
 - A. TC – Therapy Cat is awarded after the team has completed 50 approved visits.
 - B. TCX – Therapy Cat Excellence is awarded after the team has completed 100 approved visits.
 - C. TCD – Therapy Cat of Distinction is awarded after the team has completed 200 approved visits.

After each level has been accomplished the owner can apply for their certificate and their badge. TICA already has the certificates available online via TDS. These titles would be able to be downloaded and printed by the owners like other TICA titles are done, for a fee (\$5.00). An embroidered badge that can be sewn on the cat's vest would also be for sale (\$5.00) to the owners. This badge would have the TICA logo and the letters of the title achieved. Therapy teams would visit nursing homes, hospitals, Hospice, Ronald McDonald houses, and schools to make a difference in people's lives. For example in a nursing home setting, cats sit on the laps of residents while being petted. This is a form of physical therapy for some of the residents. Our cats can also go into chemotherapy units to provide support for these patients. Is there a better way to forget your woes than to have a cat purring on your lap? Pet Partners.org has teams in Canada and has had inquiries from other countries. TICA could help expand cat therapy teams around the world. It would be a great partnership for a great cause.

PRO:

To reward TICA cats and their owners for helping others.
To showcase the versatility of TICA cats.
To award titles to cats that might not be able to be in the show hall.
A self-sustaining title system.
A working partnership with Pet Partners.org

CON:

Where to put a title? (Front/back of name)
An insufficient number of participants.

Add new Standing Rule:

907.4 Therapy Cat Title Program. The purpose of this title program is to honor cats and their owners for the dedication required in performing as a therapy team. Therapy teams might visit entities including, but not limited to, hospitals, skilled nursing facilities, group homes; schools, after school facilities, or individual's homes for those who are home bound, with the purpose of making a positive difference in peoples' lives.

907.4.1 Eligibility for titles.

907.4.1.1 The Therapy Cat Title Program is available only to TICA members in good standing.

907.4.1.2 Cats participating in the program must

907.4.1.2.1 Be registered with TICA

907.4.1.2.2 Be registered/certified by and affiliated with a therapy pet organization approved by TICA as set forth in 907.4.5, 907.4.5.1 and 907.4.5.2. TICA does not certify cats.

907.4.1.2.3 Complete the required number of visits under the guidelines of the registering/certifying therapy pet organization

907.4.2 Requirements for titles.

907.4.2.1 The title of Therapy Cat (TC) is awarded after the team has completed 50 visits.

907.4.2.2 The title of Therapy Cat of Excellence (TCX) is awarded after the team has completed 100 visits.

907.4.2.3 The title of Therapy Cat of Distinction (TCD) is awarded after the team has completed 200 visits.

907.4.3 Claiming titles. Upon completion of the required number of visits, titles may be claimed by

907.4.3.1 Completing the official claim for title form, documenting and certifying the required number of visits.

907.4.4 Recognition. Upon successful completion of each title level, the therapy cat will receive the appropriate certificate and badges. \$5.00 per title. (TC, TCX, TCD) \$5.00 per badge. (TC, TCX, TCD)

907.4.5 Approved pet therapy organizations.

907.4.5.1 The Executive Office will maintain and publish a list of approved organizations.

907.4.5.2 Additions to the list may be requested by participants submitting proof that an organization is an organized therapy animal group, it conducts a screening program for volunteers and their cats, provides educational material on volunteering in therapy situations, and provides insurance for their volunteers and animals.

907.4.6 Members participating in this title program must certify that they understand that this title program is not a Service Animal program and TICA's awarding of titles must not be used to gain any special access or privilege afforded to Service Animals.

Rules Committee Comments:

(A) The proposal is formatted correctly except that 907.4.1.2.2 just needs to refer to 907.4.5 (907.4.5.1 and 907.4.5.2 are automatically part of 907.4.5).

Rules have consistently said that the initial number of visits to gain a title is unrealistically high. The proposal still has this problem, which was why Rules proposed a "Novice" title after only 10 visits the last time this went to the Board.

The fees of \$5 for a title and \$5 for a badge may not be realistic. I can't see how \$5 will cover the cost of supplying, processing, packing and posting a badge to anywhere in TICA's world. Whilst TICA is not required to make a profit, fees should at least cover the cost of providing that service.

(B) I agree with the concept of the program, but I agree with (A), it must not become a fiscal burden on TICA. People who seek to be active in pet therapy usually do so for good altruistic reasons and enjoy it and I don't believe they would be averse to a fee covering the costs to legitimize their good intentions in this age of litigation. What amount seems reasonable? Perhaps a prototype badge, etc be priced out plus a processing fee needs to be better determined.

Modify Breed Advancement Forms (Notice of Intent) – Rules

Rationale:

NB: This does not require a rule change, but only amendments to the existing set of forms for breed Advancements.

Throughout the Registration Rules, all breed advancements require a Notice of Intent to be published in the Trend at least 120 days prior to the Board Meeting at which the advancement is requested.

The forms currently only request the date the Notice of Intent was sent to the Trend Editor.

In reviewing each Advancement request, Rules Committee volunteers should not be expected to track down the actual publication date of the Notice of Intent to verify compliance with TICA Rules.. Since the forms themselves should be lodged with Rules and Genetics Committees at least 90 days prior, the publication date will be known when the form is submitted to these Committees.

Amendment:

Change all forms as follows:

Date ~~submitted for publication~~ **published** in the TREND

Rules Committee Comments:

(A) I like that – that's a great idea! Every other packet I've reviewed for advancement has included the actual notice as printed in the Trend. However it's done, the submitted application needs to document the time published, not submitted, since this is what the rules require.

(B) I agree. On our judging applications there are blanks for the applicant to fill in the Trend Volume and Number where they have been published in the Notice of Intent.

(C) I agree. I'd also like to suggest that the forms should also say that letters of support should be sent in as PDFs - frankly I had great trouble following all the embedded emails in a couple of recent applications !
