General Information:

216.1 Only Licensed Judges and/or trainees may handle cats on the judging table or present them in the finals, except under emergency circumstances.

---

*2016.1 An emergency is an unforeseen, exigent (urgent) circumstance.*

---

216.1.1 Owners/agents may be called upon to present their own cats in a final if the judge so desires.

216.2 A judge shall judge all cats and place his/her awards in accordance with the TICA Standards, not upon his/her personal likes or dislikes.

216.3 A judge may not judge or handle more than 250 cats in 1 day regardless of format, and no more than 500 cats in a 2-day show.

216.4 Judges must handle and physically examine all cats presented in the ring except as provided in Article Three of the Registration Rules. No awards may be given to cats that have not been handled and physically examined by the judge.

---

*2016.4 Minimum Handling Requirements*

*2016.4.1 A judge must have the ability to remove from and return to the judging cage every cat entered in the show, except for those cats not amenable to handling. In the event that a judge believes that a cat may not be amenable to handling, the judge may request that the owner or agent remove the cat from and/or return the cat to the judging cage.*

---

2016.4.1.1 *A judge must disclose an inability to meet the minimum handling requirements to the club at the time the club offers the judging assignment to the judge or, as soon as such inability is known to the judge.*

2016.4.1.2 *If the inability to meet the minimum handling requirements becomes known to the judge after entering into the judging contract, the judge must notify the club of such a change of circumstances as soon as possible. Either the club or judge may, at that time, cancel that judging contract.*

2016.4.2 *In the event that a judge is unable to meet the minimum handling requirements, the club must:*

2016.4.2.1 *Contract a handler at the time of contracting the judge or as soon as the inability of the judge to meet the minimum handling requirements becomes known. The handler must be a licensed judge or a trainee. (Show Rule 216.1)*

2016.4.2.2 *List the handler on the flyer with the judge or, if the inability to handle is unknown until after the assignment is published, list the handler on all revisions of the show flyer, and on all other show announcements including the show schedule.*

2016.4.2.3 *Compensate the handler at the same rate per cat as a Probationary Specialty Judge, lunch on the day of handling and a fully marked catalog.*

---

216.4.1. Any cat not amenable to handling on the judging table should be penalized for temperament and awards may be withheld from that ring, but the cat will be counted present and competing in that ring. If awards are withheld, the judge shall make the notation "unable to handle" in his judge's book.

#### Transfers:

216.6 At the option of the owner, a judge may transfer any kitten or cat incorrectly entered as to sex, color or breed, providing the transfer was not made by the show management prior to starting the judging. If the correct class has already been judged, the judge shall mark his judge's book "wrong class-not judged."

#### Withholding Awards:

216.7 When an otherwise eligible entry has faults of such nature that it fails to conform to the standard of its breed, and, therefore, lacks merit, or when the entry is in such poor condition that it should not be shown, the judge may:

216.7.1 Withhold All Awards in which case the judge shall mark "WW" in the space provided for awards in his/her judge's book. No further notation is required; or

216.7.2 Award less than Best of Color, in which case no higher division award may be made than that made in the color class. The judge shall indicate that award place (i.e. second, third, fourth, fifth) in the space provided for awards in his/her judge's book. No further notation is required.

#### Disqualifications:

216.8 Disqualification (DQ) shall be used for those entries which are removed from competition for reasons set forth in these Show Rules or an individual breed standard.

216.8.1 When an entry is disqualified, the judge shall mark "DQ" in the space provided for awards in his/her judge's books. The judge shall state the reason for "DQ" on the Executive Office copy.

216.9 A judge shall disqualify and dismiss from the ring any cat that bites.

---

216.9.1 A cat that is disqualified from competition for biting shall be noted by the Executive Office. If three disqualifications for biting by the same cat occur, the cat will no longer be scored or allowed to confirm titles, and the owner of the cat shall be notified by the Executive Office.

216.10 A judge shall disqualify any cat showing evidence of intent to deceive the judge by artificial means. Should a judge suspect fraud in any classes previously judged, he/she may reopen and re-judge such classes.

216.10.1 Surgically altering a cat for cosmetic purposes is considered intent to deceive, and such cat shall be disqualified. Examples include, but are not limited to, tail docking, prosthetic testicles and ear cropping.

216.11 Male cats in the adult championship class not having two descended testicles shall be disqualified.

216.12 Many abnormalities which are detected in judging are not breed specific, but rather occur in all cats. Responsible breeding aims to conserve our breeds while maintaining their health which means focusing on reducing or eliminating these abnormalities. Household Pets are excepted from this rule. Except as otherwise stated in this rule, judges shall penalize or disqualify, depending upon severity, championship cats, non-championship kittens, Preliminary New Breeds (PNB), and Advanced New Breeds (ANB), [see TICA Standing Rules 701.4.3], and shall penalize championship alters for the following:

216.12.1 All or part of the tail missing, except when a Board approved breed standard requires all or part of the tail to be missing.

216.12.6 Total blindness is a disqualification.

216.12.7 Inability to bear or support weight or to walk normally.

216.12.8 Abnormal positioning of the legs and feet while standing. Examples include, but are not limited to, bowed or cow-hocked legs, splaying of the feet, or obvious toeing in or out of the feet.

216.12.9 Small size not in keeping with the breed shall be considered a fault.

216.12.9.1 Markedly smaller size is a disqualification.

---

216.12.10 Inability to breathe normally with a closed mouth.

216.12.11 Abnormalities of the Sternum.

216.12.11.3 Unusually prominent, protruding or depressed lower sternum (xiphoid).

The posting copy of the judge's books shall be available in the show hall. Awards as posted shall be final and shall not be changed except for correction of errors or fraud.

---

*2017.1 Judges Books. Judges must forward the cover and the original (white copy) of all pages of the judge's book to the Executive Office of TICA within 48 hours after the close of the show. Alternatively, judges may forward a scanned document containing the cover and all white pages to the Executive Office within 72 hours after the close of the show. The scanned book must be legible, and all pages must be included, otherwise the judge's book will not be considered complete and timely, and the penalties for a late judge's book assessed. If a scanned book is used in lieu of the original, the judge must retain the original judge's book until one year after the close of the show season to which that judge's book relates, and must provide the original judge's book to the Executive Office within 48 hours if requested to do so.
