Required Information for Sponsorship TICA Marketing & Business Development, to improve the processes associated with receiving Corporate Sponsorship through TICA, requests that member show-producing clubs submit responses to the enclosed questionnaire for sponsorship consideration. The completion and timely submission (**must be no later than sixty days prior to the show date**) of this questionnaire will enhance the opportunities for club selection by our TICA Corporate Partners.

Before you apply, your show information **must be listed on the show calendar** on <http://www.tica.org> with a link to the show flyer or website.

It is our Corporate Sponsors desire to “market their products and services” to their best advantage while also providing support to our clubs and TICA as business partners. It is the intent of TICA Marketing to utilize the data gathered from these questionnaires, as well as from other sources, to aid our TICA Corporate Business Partners in the sponsorship selection process.

The sponsor does not ship product(s) outside the continental United States. PayPal is generally the best way to receive sponsorship funds to clubs.

Phone photos of the application are not acceptable. Please use Acrobat Reader to complete the form or print and scan the completed form, then email to ShowSponsorship@tica.org .

Applications must be submitted at least sixty days prior to the show date.
