TO: BOARD OF DIRECTORS

BALLOT: For purposes of the 2020-2021 show season and effective May 1, 2020, suspend the requirement that a cat/kitten must be shown at least once in that region to be eligible for a regional award and delay the implementation of the amendment to Standing Rule 901.4.3.4, requiring a minimum of aggregate points, to go into effect May 01, 2021 for the 2021/2022 and all following show seasons.

S.R. 901.4.3.2 In order for a cat/kitten to be eligible for a regional award, it must be shown at least once in that region. An exception will be made in the case of kittens and household pet kittens in that a show as an adult will fill the requirement that they be shown one time in the region. **This rule is suspended for the 2020/2021 show season.**

901.4.3.4 Regional Awards. YES: Antenucci, Brooks, Brown, Faccioli, Harrison, Hawksworth-Weitz, Ishimura, Joseph, Kuo, Lawson, Meserve, Rudge, Russo, Stadter, van Mullem

NON-VOTING: Fisher

RATIONALE: It is apparent that the current show season will bring significant challenge and uncertainty to clubs and exhibitors due to the spread of the Coronavirus Disease 19 and orders of quarantine and “re-opening”. TICA will only support the occurrence of shows following all local and country laws. At this point it is not certain where show activities will be able to occur or when. This proposal recognizes that shows and travel may be very localized for this show season.
