

Proposal 6 - Amend Show Rules Article THREE (Eligibility for Entry)

Rationale:

23.2 clarifies that it applies to any entry from an officiating judge.

23.8.3 is no longer appropriate and should be deleted

Pros:

- Provides more clarity that any entry from a judge is not eligible for competition
- Avoids any implication that TICA is involved in setting prices or monitoring sales

Cons:

- Exhibits for sale cannot be identified from the catalog
- There is not a set price for "for sale" cats or kittens that is fixed throughout the show.

Amend Show Rule 23.2:

23.2 When an officiating judge is the breeder of an **entry, such entry** ~~cat or kitten, such cat or kitten~~ is not eligible in that ring for competition. Awards shall be forfeited for violation of the Rule.

23.2.1 Any ~~cat or kitten~~ **entry** bred by an officiating judge, or having been in the judge's possession within the previous 6 months' period, may be "Presented Only" in that ring. The ~~cat or kitten~~ **entry** is not eligible for awards in this ring in compliance with Show Rules 23.2, 215.2, and 215.4, but will be included in the official ring count to determine number of entries present and competing.

Delete Show Rule 23.8.3:

~~23.8.3 Exhibitors desiring to sell cats or kittens at the show may declare on the entry blanks the price asked for each entry. This price will be printed in the catalog and must not be increased during the show. The show management may charge a fee on cats or kittens entered for sale in the show.~~
