TICA Marketing & Business Development, in an effort to improve the processes associated with receiving Corporate Sponsorship through TICA, requests that member show-producing clubs submit responses to the enclosed questionnaire for sponsorship consideration. It is felt the completion and timely submission (**must be no later than sixty days prior to the show date**) of this questionnaire will enhance the opportunities for club selection by our TICA Corporate Partners. Before you apply, your show information **must be listed on the show calendar on <http://www.tica.org> with a link to the show flyer or website.**

It is recognized that all clubs appreciate that our Corporate Sponsors desire to market their products and services to their best advantage while also providing support to our clubs and TICA as business partners. It is the intent of TICA Marketing & Business Development to utilize the data gathered from these questionnaires, as well as from other sources, to aid our TICA Corporate Business Partners in the sponsorship selection process.

Please note that the sponsor does not ship outside the continental United States. No materials are shipped outside the continental United States. Paypal is also required for all payments coming from outside the United States (paypal@tica.org). Sponsorship is only available for one show per year per club, with the exception of two shows being sponsored only if one of them is the regional. Phone photos of the application are not acceptable as they cannot be downloaded. Please use Acrobat Reader to complete the form or print and scan the completed version. **Applications must be submitted at least sixty days prior to the show date.**
